

Memo

TO: Public Works Committee
FROM: Ed Andrews, Public Works Director
DATE: June 9, 2017
SUBJECT: New / Additional Skid Steer for Distribution & Streets

Through discussions during the budgeting session for this fiscal year, the additional of another skid steer was adopted. This would be in addition to the City's current 5yr old CAT 262 wheeled skid steer which is assigned to Sewer Department for handling of sludge at the drying beds at both plants. The need for a skid steer at the Sewer Department is projected to remain as the drying beds are supplemented with the sludge press since there will still be handling and placement of the pressed sludge in the drying beds areas for interim storage.

This unit was budgeted at \$85,000 for the machine itself and additional attachments which would be first rented and then recommended for purchase at a later time. It would be a track type unit (also known as a Compact Rubber Track Loader) for increased stability when using the manhole cutting attachment and allow for increased accessibility in brush hogging detention basins.

The current CMS Statewide Bid and National Joint Powers Alliance (NJPA) nationwide purchase program pricing follows for similar sized units. Staff also took additional time to review pricing, obtain quotes with the following local vendors. All machines were quoted at that manufacturer's high-flow option:

Manufacturer & Model	Vendor / Location	Source	Price
Bobcat T870 (100Hp/36.6)	Bobcat of Peoria	Direct Quote	\$ 65,012
Deere 333G (100Hp/41.1)	Martin Equip. Of Goodfield	Direct Quote	\$ 64,561
CAT 299D2 (106HP/23)	Altorfer of E. Peoria	NJPA	\$ 67,900
CAT 299D2 XHP (106Hp/40gpm)		NJPA	\$ 76,303
CAT 299D2 XHP (106Hp/40gpm) w/ "Forestry" options		NJPA	\$ 85,521
Kubota SVL95-2 (96hp/40gpm)	German-Bliss of E. Peoria	Direct Quote	\$ 59,455
Kubota SVL95-2 (96hp/40gpm) w/ various attachments		CMS	\$116,500

This consideration is being brought before Public Works Committee as well as Committee of the Whole for discussion.

Washington, IL 61571-0096

Attention: City of Washington

We are pleased to provide the following proposal for your review:

One (1) New Caterpillar 299D2 Compact Track Loader

Includes the following standard equipment and options:

Pressurized, Sound Suppressed ROPS/FOPS Cab
Air Conditioner Including Heater/Defroster
Cat® Comfort Air Suspension Seat
Headliner, Floor Mat, & Cup Holder
Electro-Hydraulic Hydrostatic Transmission Control
Deluxe Work Tool Control
Factory Installed Cat® Hydraulic Quick Coupler
Standard Flow (23 gpm), Proportional Hydraulics
Advanced LCD Display w/ Rearview Camera
Triple Flange Front & Rear Idlers
17.7" Steel Embed Block Tread Rubber Track
84" General Purpose Bucket w/ Bolt-on Cutting Edge

Cat® C3.8 Tier 4f Diesel Engine
Two-Speed Transmission
Variable Speed Demand Fan
Heavy Duty Battery
120V Engine Coolant Heater
Hand (Dial) & Foot Throttle
Dual-Direction Self-Level
Front & Rear Halogen Work Lights
AM/FM Bluetooth Radio
Back-Up Alarm

Equipment Protection Plan (EPP)

Includes 12-Month Premier & 36-Month / 1,500 SMH Powertrain Plus Hydraulics EPP.

Selling Price \$ 67,900

- Sales Tax Additional, if applicable.

Availability

Approximately 16 Weeks.
