

Memo

TO: Mayor Manier and City Council
FROM: Ed Andrews, Public Works Director
SUBJECT: CO#1 for Salt Shed Foundation
For the addition of Pipe Bollard Truck Doorway Protection
DATE: November 3rd, 2017

EXECUTIVE SUMMARY:

On October 9th, the City Council awarded the Salt Shed Foundation Package to Stark Excavating in a not to exceed amount of \$121,225 for work to include the Base Bid (Foundation) plus Alternates #1 & 2 for the Interior and Exterior concrete slabs.

The addition of pipe bollards to provide additional protection to the truck doorway opening was sought by staff with the requested Change Order proposal. The addition of four pipe boards, installed concurrent with the other concrete work being performed by Stark was proposed at \$2,800, detailed in the attachment.

This work will result in a Contract Change of an additional **\$2,800**, or an upper-end adjustment of Stark's contract to \$124,025. Council will recall that this portion of the work was budgeted at \$160,000.

This matter has been placed on the City Council consent agenda of Monday, November 6th, 2017 for post-ratification review and approval.

Re: Salt Storage Shed
SEI#17271
COR.01 – Install Bollards:

Kevin,

Stark Excavating Inc. proposes to furnish all labor, equipment, supervision, and material necessary to complete the following scope of work for the following price:

COR.01 – Install Bollards: ADD \$2,800.

General:

- Proposal firm 30 days.
- This proposal, including terms and conditions, if accepted will become part of any contract document.
- Stark Excavating is able to provide hard dollar pricing for any changes that should arise during construction. Should the owner elect to proceed on a Time and Material Basis, our current rates will apply.
- Cost escalation will apply to any work performed outside of normal business hours or after April 1, 2018.

Scope of Work:

- Furnish and install bollards (4-EA)

Clarifications:

- Bollards shall be painted by others.
- Bollards will be 6" Diameter x 7' long. (3' underground & 4' above ground)

Thank you for the opportunity to quote this project. If you have any questions or comments regarding this proposal, please contact Makenzi at 309/828-5034 ext. 236 for building work.

STARK EXCAVATING, INC.
