

TO:

Mayor Manier and City Council

FROM:

Ed Andrews, Public Works Director

SUBJECT:

CO#1 for WTP#1 Improvement Upgrades for

Addition of Reduced Pressure Zone (RPZ) protection

DATE:

November 3, 2017

EXECUTIVE SUMMARY:

On August 21st, the City Council awarded the WTP#1 Improvement Upgrades for New Brine Tanks & Chlorine / Fluoride Separation in a not to exceed amount of \$450,000 to River City Construction (RCC).

Change Order #1 is proposed for the supplying and Installation of an RPZ before the water heater which supplies the new emergency eye wash station and dropping line down for access. The RPZ will help address water aging issues associated with this appurtenance.

This work will result in a Contract Change of an additional \$1,287, or an upper-end adjustment of RCC's contract to \$451,287.

This matter has been placed on the City Council consent agenda of Monday, November 6th, 2017 for post-ratification review and approval.
