RE: Sale of Surplus Hand Held Radar Units
DATE: November 1, 2017

Aldermen,

Last Fiscal year, the Department purchased four hand-held radar units to replace obsolete units. The obsolete units have been stored. MSgt Stevens contacted four used radar dealers to obtain quotes for sale of the obsolete radars. Only one vendor responded. That vendor, PB Electronics, offered to purchase the HTCR-1KD Genesis handheld directional radars for \$125 each.

Our recommendation is that the City Council declare the four radar units obsolete and authorize sale of the radars to PB Electronics for \$125 each.
