RE: Consideration of Prohibiting Parking within 30' of the Bus Driveway at Lincoln Grade School

DATE: December 14, 2017

Aldermen,

This month, the Public Works Department received a request from a Lincoln Grade School employee that the City prohibit parking near the bus entrance at LGS. Public Works Manager Kevin Schone asked the Police Department to research the option and present it to the Public Works Committee for consideration. MSgt. Stevens contacted District 52 Superintendent Pat Minasian.

Superintendent Minasian explained that the District's school buses enter the lot from northbound and southbound Lincoln Street using the property's northern driveway. A problem exists when motorists park close to the driveway, especially at pick up or drop off times, as the drivers must swing wide to enter the drive. Minasian suggested a 1-2 car length buffer zone on both sides of the drive would improve safety and traffic flow. Current City Ordinance prohibits parking in such a way as to obstruct the use of any driveway, but a dedicated restriction in this location would sidestep any claim of ambiguity regarding the effect of that ordinance in this location and allow for signage to alert motorists to the prohibition.

The southern edge of the driveway is about 405 feet from the northern edge of the Lincoln/Jackson intersection. A buffer zone of 2 car lengths, or about 30 feet, would start about 375 feet north of the intersection and end about 30 feet northwest of the northern edge of the approximately 40 feet-wide drive. Measured along the curb and face of the drive, the total prohibition is 100 feet along Lincoln Street.

The speed limit at this part of Lincoln Street is 20 M.P.H. There is no recent history of crashes at the location, although the low speeds common there during congested periods likely contribute to that.

**ORDINANCE NO. \_\_\_\_\_**

Synopsis: Adoption of this ordinance would prohibit parking on the east side of Lincoln Street for 30 feet on each side of the existing north driveway of Lincoln Grade School. The purpose of the prohibition is to facilitate entry and exit of large vehicles such as school buses.
