RE: Motorcycle Bid Award

DATE: August 3, 2018

Mayor and Aldermen,

The City of Washington Police Department sought bids for three-year leases on two police motorcycles. The only bid response was from Walters Brothers Harley-Davidson of Peoria.

The bid price was in accordance with expectations, at \$10,500 per motorcycle over the three year lease, for a total of \$22,000 for both bikes for the three-year period.

The Department would be responsible for additional equipment, title, and registration.

We request Council approval to enter in to the described three-year lease for two 2019 Harley-Davidson FLHTP motorcycles for police use.
