

Memo

TO: Mayor Manier and City Council
FROM: Kevin Schone, Public Works Manager
DATE: August 6, 2018
SUBJECT: F-550 Purchase

Through the City's MERF (Motorized Vehicle Equipment Replacement Fund) the 2005 Chevy C4500 Crew Cab Utility vehicle assigned to the Water/Sewer Distribution and Collections Department is scheduled for replacement in this fiscal year at a budgeted amount of \$68,132.00.

A review of the current CMS statewide bids finds that Landmark Ford of Springfield, IL is the State's current supplier (w/ pricing open to local agencies). The City has compiled the following from the published CMS bid and solicited a quote from Uftring of Washington, IL to also make consideration of trade for the used 2005 Chevy C4500.

| 2019 | | Uftring | | Landmark |
|--------------|--|-----------------|--|-----------------|
| Pricing | | | | |
| F550 | | \$44,005 | | \$44,325 |
| Trade | | \$6,000 | | \$5,000 |
| Plates/Title | | \$103 | | \$175 |
| Body Build | | \$13,450 | | \$13,450 |
| Total | | \$52,735 | | \$52,950 |

Staff reviewed pricing and trade-in allowance and find that Uftring would be the overall low price for the purchase of this truck for a total not to exceed amount of \$52,735 using the current 2005 Chevy C4500 Crew Cab as trade in the amount of \$6000.

This matter has been placed on the agenda for the City Council meeting of August 6, 2018 for review and approval.
