MEMORANDUM

TO: Mayor Manier and City Council
FROM: Joanie Baxter, Controller 
DATE: August 30, 2018
SUBJECT: Ratification of repairs due to lightning strike

Lightning struck repeaters located at the Fire Station on August 6. Both Public Works and the Police Department were affected. The Public Works repeater has been repaired and we are in receipt of an invoice for \$4,192.50. The Police repeater is in the process of being repaired and we should get a final invoice on Tuesday according to Ragan Communications. The damage is in excess of \$5,000. One deductible of \$2,500 will be applied as it is a single incident, and thus insurance reimbursement is expected for the remainder of the cost.

REQUESTED ACTION

Ratify the expenditure of \$4,192.50 plus the Police Department invoice to be received on Tuesday.

This matter has been placed on the City Council meeting consent agenda of Tuesday, September 4, 2018
