SUBJECT: Knollcrest Ditch – Bid Award

The City of Washington, in an effort to improve discharge drainage from the Dieble detention basin, has reviewed the outlet ditch along TP&W Railroad ROW. This ditch was found to be obstructed by a number of private culverts placed upon Railroad ROW without permission. Bids were opened on January 2nd, 2019 at 1pm at City Hall with the following results:

|----|-----------|----------|
| 1) | Otto Baum | \$48,114 |
| 2) | Stark | \$21,800 |

Both bidders had representatives attend the City's December 19th Pre-Bid meeting for this project. It should be emphasized that these lump sum bids are only for the base bid work effort
