---

**To:** Gary Manier; Brian Butler; Jeff Stevens; wfdedo@washingtonfd.com

Gentlemen:

We have obtained a quote for the security doors at the Washington Fire Department..  
The quote is \$17,500.00. The cost is a based on the location of the doors in relation to power supply....Current locks all have to be replaced ....Door frames will have to be replaced.

I am recommending that we move forward with this project.

mdm

Michael D. McCoy

Fax (309) 444-7511

**NOTICE: E-MAIL TO OR FROM CITY STAFF MAY BE SUBJECT TO DISCLOSURE  
PURSUANT TO THE ILLINOIS FREEDOM OF INFORMATION ACT.**

## Door Access for Washington Police Department

This project is for the two outside, north and south, access doors to the Fire Department and two interior doors for rooms that contain confidential information.

Two of the door jams must be replaced in addition to the installation of the card pads.

This is the third phase of the card access system. Police Department, City Hall and now the Fire Department. Plans are to also include the Public Works and Street Buildings in the near future.

**To:** Mike McCoy  
**Subject:** Fire Station Key Card Access  
**Attachments:** K-Com Fire Station Proposal.pdf; S&S Fire Station Proposal.pdf

Good morning Chief;

I have attached the quotes from K-Com and S&S Hardware for the installation of Key Card Access Readers at the Fire Station. K-Com's Proposal is \$11,808.00, and S&S Hardware's is \$5,778.92 for a total of \$17,586.82.

This total is considerably more than it was for City Hall. I believe that is due to the following factors present at the Fire Station:

Physical location of the doors in relation to the power unit.  
Type of Locks presently on the outer doors that will be replaced.  
Door Frames will have to be replaced on doors at the Fire Station

Respectfully,

Kent Henderson

**Re: Fire Department Four Door Access Control System**

Dear Mr. Henderson,

The following is our proposal to provide and install a Bosch access control system for the two exterior and two interior doors.

**Equipment List**

1-Bosch Four Door Controller  
1-Bosch Transformer  
4-HID Proximity Card Reader  
2-HES 9600-630 Surface Mount Door Strike  
2-HES 5000C-12/24D-630 Door Strike  
1-Altronix Access Control Power Supply  
3-Powersonic 12 Volt 7AH Battery  
1-Lot Composite Access Control Cable  
1-Lot Required Surface Raceway  
1-Lot Cable Supports and Installation Material  
**Total Installed Cost: \$11,808.00**

**K-COM Shall:**

1. Provide and install the listed material.
2. Program the new controller into the existing system.
3. Provide a one year parts and labor warranty.

**Please Note:**

1. The proposal is valid for 30 days.
2. Ground freight is included.
3. Replacement of the existing door hardware is not included.

Thank you for the opportunity to provide you with this proposal. If you have any questions or require additional information please let us know.

Respectfully Submitted
