MEMORANDUM

TO: Mayor Manier and City Council
FROM: Jon R. Oliphant, AICP, Planning & Development Director
SUBJECT: First Reading Ordinance – TIF funding request – Brecklin's Service Center, 119 Walnut St.
DATE: April 30, 2019

Summary: We have received an application from Tom Brecklin of Brecklin's Service Center for TIF assistance to install a new roof at his business at 119 Walnut Street. The application form and supporting materials are attached for your review and consideration. Staff recommends approval of a redevelopment agreement that provides for a 30-percent total subsidy at a not-to-exceed amount of \$2,083.50.

Background: Mr. Brecklin completed the installation of four Wayne Ovation² Model R13/3 fuel dispensers in 2015 following approval of a TIF redevelopment agreement. This proposed project would re-roof approximately 2,100 square feet of the building that includes the maintenance shop. The work includes all labor, tools, materials, and equipment. It includes a 15-year warranty on the flat one ply coat.

Mr. Brecklin has submitted a quote for this project that totals \$6,945 from Five Star Commercial Roofing. It should be noted that no local contractors do this type of commercial roof construction. Staff would recommend a base 20-percent base subsidy for this project along with an additional 10-percent due to the continued investment by Mr. Brecklin. Based on this level, staff would recommend a subsidy not-to-exceed amount of \$2,083.50 to be paid in a single installment prior to the current expiration of the TIF in 2021.

The Finance and Personnel Committee also recommended a 30-percent subsidy with a not-to-exceed amount of \$2,083.50 at its meeting on April 15. A first reading ordinance on the redevelopment agreement is scheduled for the May 6 City Council meeting with a second reading to be scheduled for May 20.

Ordinance No. _____

SECTION I DEVELOPER'S COVENANTS

A. Redevelopment Project. The Developer, its successors or assigns, agrees on behalf of itself, its successors or assigns, to redevelop the Real Estate described above, located at 119 Walnut Street, Washington, Illinois. Developer will install a new roof at the automobile service station, pursuant to the plans and specifications attached hereto as Exhibit A and by reference expressly made a part hereof ("Remodel Specifications").

B. Equipment Upgrade. The Developer agrees it will install a new roof on the automobile service station on the Real Estate so as to allow for continued use of the structure as a gasoline and service station, in accordance with the Remodel Specifications.

The estimated total cost of the above-listed item is Six Thousand Nine Hundred Forty-Five Dollars (\$6,945.00). Developer will comply with any and all nationally accepted standards for installation of the equipment on the Real Estate.

C. Commencement of Redevelopment. Developer shall commence the redevelopment of the Real Estate on or after May 21, 2019.

D. Completion of Redevelopment. Developer shall complete the redevelopment of the Real Estate on or before October 31, 2019.

E. Payment of Taxes. In order to assure the property flow of tax revenues anticipated pursuant to the Plan and this Agreement, the Developer, its successors and assigns, covenants as follows:

- (1) It will promptly and timely pay all applicable taxes when due.
- (2) In the event that all applicable taxes are not paid by Developer within thirty (30) days from the date said taxes are due and owing during the period of time the City has an obligation to grant any incentives hereunder, including, but not limited to, payment of a portion of Developer's relocation costs, the City may make payment of the taxes due and owing on the property. The amount so advanced by the City shall be immediately due and owing from the Developer to the City and shall bear interest from the date of payment at the rate of twelve percent (12%) per annum compounded quarterly until paid in full. The City shall have a lien against all of the Redeveloper's property for all amounts paid together with interest and all expenses incurred in the recovery of said amounts, including, but not limited to, attorney's fees

incurred in collecting said amounts. The City may bring such actions as may be deemed appropriate to enforce payment and/or enforce the lien hereinabove granted against the property.

(3) Developer, its successors and assigns, shall provide the City with copies of all sales tax reporting and remitting forms that Developer, its successors and assigns, shall submit or forward to the Illinois Department of Revenue.

F. Commencement of Operations. Developer agrees for itself, its successors and assigns, that it will use the space to continue operations as a gasoline and service station, currently for Brecklin's BP. Developer will use its best efforts to ensure the building is occupied by a going concern during such time or periods of time as the City is obligated hereunder to render any redevelopment assistance or to pay any redevelopment project costs, as same are defined pursuant to the Act.

G. Exemption from Tax. Developer covenants for itself, its successors and assigns, and for all successors and lessees to the property, that it shall not apply for, seek or authorize any exemption from the imposition of real estate taxes on said property without first obtaining the prior written approval of the City. Nothing herein contained shall be construed so as to prevent the Developer from contesting the assessment or collection of any taxes under statutory procedure set forth in the Illinois Revised Statutes; provided, however, that Developer shall give the City at least fifteen (15) days prior written notice of its intent to contest the assessment or collection of real estate taxes.

H. Indemnification of City. The Developer agrees for itself, its successors and assigns, to indemnify and save the City and its officers and employees, free, harmless, and indemnified from and against any and all claims by or on behalf of any person, firm, corporation, or other entity, whether private, public or governmental, arising (a) from the conduct or management of, or from any work or thing done on, the relocation to the new location; (b) any breach or default on the part of the Developer or its successors or assigns in the performance of any of its obligations under this Agreement; (c) any act of negligence of Developer or any of its agents, contractors, servants, employees, or licensees; (d) any act of negligence of any assignee, lessee or sub-lessee of the Developer, or any agents, contractors, servants, employees, or licensees of any assignee, lessee, or sub-lessee of the Developer; (e) any violation by the Developer or any other person of state, federal, or local laws, rules, and regulations; (f) any performance by the City of any act required hereunder or requested by the Developer or its successors and assigns other than willful misconduct by the City. The Developer agrees to indemnify and save the City free, harmless, and indemnified from and against any and all costs and expenses incurred in or in connection with any such claim arising as aforesaid or in connection with any action or proceeding brought thereon.

I. Equal Opportunity. The Developer agrees for itself, its successors and assigns, that Developer and such successors and assigns shall not discriminate in violation of any applicable federal, state, or local laws or regulations upon the basis of race, color, religion, sex, age, or national origin or other applicable factors in the sale, lease, rental, operation, or management, or in the use or occupancy of the property or any part thereof.

J. Payment of Prevailing Wages. Developer shall pay the prevailing rate of wages in the locality for each craft or type of worker or mechanic needed to remodel and renovate the existing building, also the general prevailing rate for legal holiday and overtime work, as ascertained by the City pursuant to Ordinance No. 3082 all in accordance with and pursuant to 820 ILCS 130/1 *et seq.* A copy of said Prevailing Wage Ordinance is attached hereto, marked Exhibit B, and by reference expressly made a part hereof.

K. Breach of Agreement. Should Developer, its successors or assigns, fail to comply with or satisfy any of the terms and conditions of this Agreement, at any time or times during the term of this Agreement, or during any period or periods of time during which the City has an obligation hereunder to render or provide Developer any redevelopment assistance or to pay any redevelopment project costs as same are defined pursuant to the Act, Developer agrees for itself, its successors and assigns, that it will immediately pay to the City any and all sums previously expended by the City in connection with or arising out of the City's obligations hereunder to pay certain redevelopment project costs, together with all costs of collection of same, including but not limited to the City's reasonable attorney's fees, court costs and costs of collection whether incurred for preparation, negotiation, trial, appellate or otherwise.

SECTION II CITY'S OBLIGATIONS

A. Qualified Redevelopment Project Costs.

(1) If Developer shall perform the agreements herein contained and certifies an actual cost incurred that equals or exceeds the estimated cost contained herein, the City shall pay directly from the Special Tax Allocation Fund for the Project Area (hereinafter referred to as the "General Account") a sum not to exceed the amount of Two Thousand Eighty-Three Dollars and Fifty Cents (\$2,083.50), more particularly limited and set forth on Exhibit C, a copy of which is attached hereto and by reference expressly made a part hereof.

(2) The City shall pay the above-stated costs in one (1) installment within sixty (60) days after final completion of the renovation and remodeling of the structure on the Real Estate, and occupancy of the structure by the Developer or a tenant:

(3) The City's obligation to pay any of the above-stated costs shall not arise until and unless the following shall first occur:

(a) Sufficient funds are available and on deposit in the Special Tax Allocation Fund for the Project Area.

(b) If, in any given year, there are not sufficient funds in the Special Tax Allocation Fund for the Project Area to pay all of the above-stated amounts, any shortfall shall be an obligation that is carried over from year to year until sufficient funds generated by the Project Area become available in the Special Tax Allocation Fund.

B. Miscellaneous. The City, without expense to the Developer except as set forth herein, shall, in accordance with the TIF Plan, provide or secure or cause to be provided or secured the following: It is contemplated by the parties hereto, that all matters of rezoning, including amending the Comprehensive Plan, if necessary, in order to conform the zoning of the

Project Site to the uses intended by this Agreement, be accomplished prior to the construction of the Project by the Developer. Therefore, Developer shall cooperate with the City in providing such information as necessary for and to the appropriate bodies to consider such rezoning, variations and amendments. At the present time, the property is zoned C-2, which the parties contemplate as being adequate for Developer's purposes.

SECTION III GENERAL PROVISIONS

WHEREAS, the State of Illinois has enacted "An Act regulating wages of laborers, mechanics and other workers employed in any public works by the State, county, city or any public body or any political subdivision or by anyone under contract for public works" approved June 16, 1941, codified as amended, being 820 ILCS 130/1, et seq., and

WHEREAS, the aforesaid Act requires the City Council of the City of Washington to investigate and ascertain the prevailing rate of wages as defined in said Act for laborers, mechanics and other workers in the locality of said Tazewell County, employed in performing construction of public works for said City of Washington exclusive of work performed by employees of the City; and

WHEREAS, the applicable prevailing wage rates are published each year by the Illinois Department of Labor ("**IDOL**"). IDOL has not yet published the state county by county prevailing wage rates, including those for Tazewell County. However, the City is obligated under the Act to adopt prevailing wage rates and file adoption of prevailing wage rates with IDOL by July 15, 2018. In order to remain compliant with the Act, the City is adopting this Ordinance based upon the prevailing wage rates published by IDOL in September 2017.

Section 3. The City Clerk shall publicly post and keep available for inspection by any interested party in the main office of this City this determination or any revisions of such prevailing rate of wage. A copy of this determination or of the current revised determination of prevailing rate of wages then in effect shall be attached to all contract specifications.

The following list is considered as those days for which holiday rates of wages for work performed apply: New Years Day, Memorial Day, Fourth of July, Labor Day, Thanksgiving Day, Christmas Day and Veterans Day in some classifications/counties. Generally, any of these holidays which fall on a Sunday is celebrated on the following Monday. This then makes work performed on that Monday payable at the appropriate overtime rate for holiday pay. Common practice in a given local may alter certain days of celebration. If in doubt, please check with IDOL.

Oil and chip resealing (O&C) means the application of road oils and liquid asphalt to coat an existing road surface, followed by application of aggregate chips or gravel to coated surface, and subsequent rolling of material to seal the surface.

If a task to be performed is not subject to one of the classifications of pay set out, the Department will upon being contacted state which neighboring county has such a classification and provide such rate, such rate being deemed to exist by reference in this document. If no neighboring county rate applies to the task, the Department shall undertake a special determination, such special determination being then deemed to have existed under this determination. If a project requires these, or any classification not listed, please contact IDOL at 217-782-1710 for wage rates or clarifications.
