

Memo

TO: Mayor Manier and City Council
FROM: Ed Andrews, Public Works Director
DATE: August 29, 2019
SUBJECT: W. Cruger Rd - Ph 2 Rec Trail additional ADA Ramps and Repairs
Progress Pay #1 / Final Payment to Stark Excavating

On June 17th, 2019, Council approved approve the proposal from Stark Excavating to undertake both the Rec Trail repairs and additional ADA ramps along the southside of W. Cruger Road at the intersections of Comfort Way, Breeze Way and Devonshire Rd in a not-to-exceed amount of \$29,300. These considerations were discussed at the Public Works Committee meeting of May 6th, 2019 and were part of a follow up commitment with FHWA and IDOT to have provided the connecting ramps outside of the immediate projects limits with these immediate side streets.

Work on these ramps and repairs to the trail had been completed by Stark and we have been invoiced for the work, attached herewith. As such it is my recommendation that City Council approved making payment in the amount of **\$29,300** to Stark Excavating.

This matter has been placed on the City Council agenda of Tuesday, September 3rd, 2019 for review and approval.
