

**CITY OF WASHINGTON, ILLINOIS**  
**City Council Agenda Communication**

**Meeting Date:** October 21, 2019

**Prepared By:** Kevin Schone, Public Works Manager

**Agenda Item:** Amended Contract Authorization: Sewer Lift Stations Variable Frequency Drives, Britton Electronics

**Explanation:** On October 7, 2019 Council approved expenditures of \$44,610.00 for the purchase and installation of VFD's and pressure transducers at four of the City's six lift stations. The approved amount should have been \$63,010.00 as the Ameren Incentives in the amount of \$18,400.00 will be returned to the City and not kept by Britton Electronics. After incentives the total cost of the project will be \$44,610.00. A review of the budget detail sheets for wastewater shows \$55,000.00 has been budgeted for this project however the overall account that includes this project has sufficient funds available to support this project until the Ameren Incentives are credited.

**Fiscal Impact:** FY 19/20 Budget provides \$55,000 for this project.

**Recommendation/  
Committee Discussion Summary:** Staff recommends approval.

**Action Requested:** Approval of the amended contract authorization of \$63,010.00.
