

CITY OF WASHINGTON, ILLINOIS
City Council Agenda Communication

Meeting Date: 08-17-2020

Prepared By: Kevin Schone-Public Works Director

Agenda Item: Pay Request-Cambridge Estates Drainage Project

Explanation: On June 15, 2020 Council approved Miller and Son to complete the drainage improvements in the Cambridge Estates sub-division for \$24,024.50.

On Monday July 27, 2020 I was contacted by the inspector on the project that a manhole was too low and that a riser would be needed that was not in the scope of the project. The cost of the riser including labor was \$350.00. To keep the project moving forward and to prevent delays I approved the riser for this project. This brings the final project cost to \$24,374.50 and the City is now in receipt of the pay request for completion of the Cambridge Estates project in this amount.

Fiscal Impact: \$24,374.50 of the \$40,000.00 budgeted in account #218-00-800-5000.

Recommendation/

Committee Discussion Summary: Staff recommends payment to Miller and Son of Mackinaw Illinois in the amount of \$24,374.50.

Action Requested: Approval of the requested amount.
