

CITY OF WASHINGTON, ILLINOIS Public Works Committee Agenda Communication

Meeting Date: November 5, 2020

Prepared By: Dennis Carr – City Engineer

Agenda Item: Stratford Drive Bridge Pay Request #5 Change Order #2

Explanation: At the January 6,2020 council meeting, City Council awarded the construction of Stratford Drive Bridge to N.E. Finch for a price of \$572,949.80. There had been one previous change order for an additional \$26,763 that brought the contract to \$599,712.80. This change order is for \$5,368.36 which would bring the contract to \$605,081.16.

This change order is to add the cost of the City's decision to shut the project down during the initial COVID lockdown. The contractor had excavated down to the watermain and found that the watermain was transite. This finding was going to require the city to shut the water off to this section of town which was undesirable during the initial COVID lockdown.

The city has also received the fifth pay estimate for a total of \$238,541.16.

Pay Request 1 - \$25,322.50

Pay Request 2 - \$32,851.00

Pay Request 3 - \$77,996.48

Pay Request 4 - \$44,718.70

Pay Request 5 - \$238,541.16

Total Contract Remaining - \$185,651.32

Fiscal Impact: This project was budgeted for a total of \$150,000 last fiscal year and \$450,000 this fiscal year from account # 100-03-800-4100.

\$238,541.16 will be paid for out of the following accounts:

100-03-800-4000

Recommendation Summary:

The shutdown has already happened, and the additional payment needs to be added to the contract.

The work has been completed and staff recommends payment to N.E. Finch in the amount of \$238,541.16.

Action Requested: Place this item on tonight's City Council meeting agenda for approval.
