Meeting Date: February 1, 2021

Prepared By: Ray Forsythe, City Administrator

Agenda Item: Cable Television Franchise Agreement with Comcast of Illinois\Indiana\Ohio, LLC.

Explanation: The City has had a Franchise Agreement with Comcast since 12/20/2010 which expires in December of this year. City staff, City Attorney's and representatives of Comcast have discussed the proposed Agreement. City Attorney Christopher Jump has proposed revisions to the Agreement which are outlined in the attached letter as well as redlined in the attached Franchise Agreement.

Due to ongoing negotiations between the City Attorney and Comcast the scheduled Public Hearing on December 21, 2020 was postponed. At that meeting, the City Council approved Resolution R-1316, which extended the existing Franchise through February 18, 2021 to allow the negotiations to be completed and a new Franchise Agreement approved.

Over the last several weeks the proposed Franchise Agreement has been negotiated and a final draft prepared. A Public Hearing is scheduled for Monday, February 1, 2021 and a Public Hearing was published in the Washington Courier, The Public Hearing notice has also been posted on the City's Website and Social Media and a copy of the proposed Franchise Agreement available for public viewing.

Below is a summary from City Attorney, Christopher J. Jump, Davis & Campbell L.L.C related to the most recent changes to the Franchise Agreement:

- Section 3: Comcast made several of the changes we requested, but not all of them. Minor changes were made regarding the reimbursement of relocation costs by private funds (which I argued we had no control over). The notice for relocation was increased.
- Section 4.5: The City will need to be sure it's providing adequate notice for purposes of any annexations and new/planned developments. We essentially agreed this would be limited by the minimum density being at least 30 dwelling units per cable system mile as measured from a feasible connection point. Subject to the density requirement, Comcast shall offer Cable Service to all new homes or previously unserved homes located within one hundred twenty-five (125) feet of the Grantee's distribution cable (e.g., a Standard Installation).
- Section 4.6: I think we were able to reach a reasonable compromise here. Currently, the City and the school districts (to my understanding) are paying for their cable. The City will need to determine whether it wants to pay the bill or for this to come out of its franchise fee. Essentially, complimentary service isn't being offered at this point. However, if there is a reversal of the FCC's Order, then we added significant language for the City and school districts to obtain complimentary service subject to the terms of this section.

Date Prepared: 01/29/2021

- Section 4.8: We agreed to re-add language regarding customer service obligations under Illinois law.
- Section 7: The insurance was increased from the initial draft to be more consistent with the current requirements of \$3 million for certain liability policy amounts. They requested a change to the cancellation notice language. We had some discussion regarding the language of the indemnification, which I feel is better now that it includes “agents.” I also added language from the prior agreement regarding certain indemnification limitations (worker’s compensation, disability, or other employment benefit acts).
- Section 8: I asked we add back the PEG language in the event the City later wants to add a PEG channel.

Fiscal Impact: The City receives 5% of annual Gross Revenues. The 2020/2021 Budget is \$225,000.

Recommendation/

Committee Discussion Summary/Council Action: The Agreement was presented and discussed at the November 16, 2020 Finance & Personnel Committee Meeting with only minor questions. The City Council discussed the Franchise Agreement at the December 21, 2020 City Council Meeting and approved the Resolution Extending the Franchise Agreement.

Action Requested: Public Hearing on the proposed Franchise Agreement, Approval of the Franchise Agreement (First Reading, February 1, 2021 and Second Reading, February 15, 2021)

Additional Documentation: Notice of the Public Hearing, Cover letter from City Attorney Christopher Jump, redline version of the proposed Franchise Agreement, and Ordinance approving the Franchise Agreement.

Mr. Ray Forsythe, City Administrator

Mr. Forsythe,

Please find attached with this letter the preliminary revisions we have made to the Cable Television Franchise Agreement by and between the City of Washington and Comcast of Illinois\Indiana\Ohio, LLC ("Franchise Agreement"). I have summarized some comments and the main revisions for purposes of your upcoming Finance & Personnel Committee below. However, this list does not necessary include *every* change. These changes are primarily focused on differences compared to the City's 2010 agreement with Comcast.

Section 1: A few definitions were added/removed; however, we did not have any significant concerns with those changes. The added definitions were: Cable Operator, Initial Franchise Service Area, Standard Installation, City, and Video Programming. The definition of "Gross Revenue" was expanded to state, "Gross revenues shall also include such other revenue sources from Cable Service delivered over the Cable System as may now exist or hereafter develop, provided that such revenues, fees, receipts, or charges may be lawfully included in the gross revenue base for purposes of computing the City's permissible franchise fee under the Cable Act, as amended from time to time." The PEG definitions were removed from Section 1.

Section 2: I just want to highlight that this is a *nonexclusive* Franchise Agreement. Also, please not that term is for ten (10) years – similar to the 2010 Comcast agreement. Comcast has requested that its vehicles be exempt from parking restrictions while used in the course of installation, repair, and maintenance of the Cable System.

Section 3: We made revisions to this Section to include prior language, but also to make clear the City's rights to require the relocation of lines. Comcast's main concerns are that it is being treated similarly to other utilities in the Public Way. Generally, cable likes to "follow power" – if power lines are aerial, then it's likely that Comcast will want to be aerial. The important point to follow is who is responsible for those costs – and it depends upon the situation. *See* Sections 3.2-3.3.

DAVIS & CAMPBELL L.L.C.

Section 4: I added language regarding new construction based off prior discussions with the City. If any further changes need made to this, please advise. However, Comcast's intention is that they are notified if new construction is occurring that they'd be expanding their services to or accounting for.

Section 5: This Section deals with the 5% Franchise Fee authorized by law. The wording has changed, and you can see my minor edits to the language.

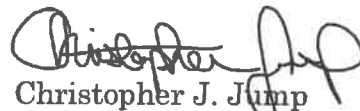

Section 7: I attempted to make this Section more consistent with the 2010 Agreement, which provided better protection for the City.

Section 8: I included the PEG language from the 2010 agreement.

Attachment A: To my understanding, Comcast would like to subtract the cost of providing Cable to these locations (which has been provided at no expense in the past) from the Franchise Fee collected. Although the Franchise Agreement is not clear on this, Comcast verbally advised that they have not been enforcing this yet as the litigation is pending. Per the City's direction, we have added the school districts to this list.

Please feel free to contact me or Mr. Schryer if you have any questions.

Best,

Christopher J. Jump

2.2. Term of Franchise. The term of the Franchise granted hereunder shall be ten (10) years from the Effective Date, unless the Franchise is renewed or is lawfully terminated in accordance with the terms of this Franchise Agreement and/or applicable law. From and after the Effective Date of this Franchise Agreement, the Parties acknowledge that this Franchise Agreement is intended to be the sole and exclusive Franchise Agreement between the Parties pertaining to the Grantee's Franchise for the provision of Cable Service.

2.3. Renewal. Any renewal of this Franchise shall be governed by and comply with the provisions of Section 626 of the Cable Act, as amended, and any applicable State law which may exist at the time of renewal and which is not superseded by the Cable Act.

2.4. Police Powers. Nothing in this Franchise Agreement shall be construed as an abrogation by the City of any of its police powers to adopt and enforce generally applicable ordinances deemed necessary for the health, safety, and welfare of the public, and the Grantee shall comply with all generally applicable laws and ordinances enacted by the City pursuant to such police power.

2.5. Reservation of Authority. Nothing in this Franchise Agreement shall (A) abrogate the right of the City to perform any public works or public improvements of any description, (B) be construed as a waiver of any codes or ordinances of general applicability promulgated by the City, or (C) be construed as a waiver or release of the rights of the City in and to the Public Ways.

2.6. Competitive Equity.

2.6.1. In the event the City grants an additional Franchise to use and occupy any Public Way for the purposes of operating a Cable System, the additional Franchise shall only be granted in accordance with the Illinois Level Playing Field Statute, 65 ILCS 5/11-42-11.

2.6.2. In the event an application for a new cable television franchise or other similar authorization is filed with the City proposing to serve the Franchise Area, in whole or in part, the City shall to the extent permitted by law promptly notify the Grantee, or require the Grantee to be notified, and include a copy of such application.

2.6.3. Provided that appropriate vehicle safety markings have been deployed, Grantee's vehicles shall be exempt from parking restrictions of the City while used in the course of installation, repair and maintenance work on the Cable System.

SECTION 3: Construction and Maintenance of the Cable System

3.1. Except as may be otherwise provided in this Franchise Agreement, Grantee shall comply with all generally applicable provisions of the City of Washington Municipal Code, as may be amended from time to time.

3.1.1. Construction, installation and maintenance of the Cable System shall be performed in an orderly and workmanlike manner. All construction must also conform to all City of Washington policies and permit requirements. Grantee must provide erosion control, backfilling and compaction and restoration to meet City specifications. All cables and

wires shall be installed, where possible, parallel with electric and telephone lines. Multiple cable configurations shall be arranged in parallel and bundled with due respect for engineering considerations.

3.1.2. The Grantee shall at all times comply with the National Electrical Code (National Fire Protection Association) and applicable FCC or other federal, state and local regulations.

3.2. Aerial and Underground Construction. At the time of Cable System construction, if all of the transmission and distribution facilities of all of the respective public or municipal utilities in any area of the Franchise Area are underground, the Grantee shall place its Cable Systems' transmission and distribution facilities underground, provided that such underground locations are actually capable of accommodating the Grantee's cable and other equipment without technical degradation of the Cable System's signal quality. In any region(s) of the Franchise Area where the transmission or distribution facilities of the respective public or municipal utilities are both aerial and underground, the Grantee shall have the discretion to construct, operate, and maintain all of its transmission and distribution facilities or any part thereof, aerially or underground. Nothing in this Section shall be construed to require the Grantee to construct, operate, or maintain underground any ground-mounted appurtenances such as customer taps, line extenders, system passive devices, amplifiers, power supplies, pedestals, or other related equipment. Nothing in this Section prohibits the City from forcing a relocation of ~~any particular user of all users of the~~ Public Way to aerial or underground, subject to the provisions of Section 3.3.

Commented [A1]: Note to Washington -- We tweaked this as per our discussion

3.3. Undergrounding and Beautification Projects.

3.3.1. In the event the City requires users of the Public Way who operate aerial facilities to relocate such aerial facilities underground, Grantee shall participate in the planning for relocation of its aerial facilities, if any, contemporaneously with such users. Grantee shall be reimbursed its relocation costs from public ~~or private~~ funds allocated for the project to the same extent as such funds are made available to other users of the Public Way, if any, provided that any utility's exercise of authority granted under its tariff to charge consumers for the said utility's cost of the project that are not reimbursed by the City shall not be considered to be public or private funds.

Commented [A2]: Note to Washington -- We deleted "or private" per our discussion

~~The City is not required under this Section to require the same relocation requirements of all users of the Public Way, if it chooses. For the avoidance of doubt, the City may require the Grantee to relocate as part of an undergrounding or beautification project.~~

Commented [A3]: Note to Washington -- Please confirm your acceptance of this deletion

3.3.2. The Grantee shall not be required to relocate its facilities unless it has been afforded at least ~~sixty (60) thirty (30)~~ days notice of the necessity to relocate its facilities. Upon adequate notice the Grantee shall provide a written estimate of the cost associated with the work necessary to relocate its facilities. In instances where a third party is seeking the relocation of the Grantee's facilities or where the Grantee is entitled to reimbursement pursuant to the preceding Section, the Grantee shall not be required to perform the relocation work until it has received payment for the relocation work.

Commented [A4]: Note to Washington -- Switched back to 60 days per our discussion

3.3.3 If at any time during the period of the Franchise, the City shall lawfully elect to alter or change any street, alley or other public ways or any municipal underground facilities, the Grantee shall promptly and diligently remove or relocate as necessary its poles, wires, cables, underground conduits, manholes, and/or other facilities. ~~at its own expense.~~ Grantee shall be reimbursed its relocation costs from public ~~or private~~ funds allocated for the project to the same extent as such funds are made available to other users of the Public Way, if any, provided that any utility's exercise of authority granted under its tariff to charge consumers for the said utility's cost of the project that are not reimbursed by the City shall not be considered to be public or private funds.

Commented [A5]: Note to Washington – we accepted this change except for "at its own expense" as it conflicts with the section above and for consistency removed "or private"

3.4 Tree Trimming. The Grantee shall not remove any tree or trim any portion of any tree within any public street as defined herein without the prior consent of the City, except in an emergency situation. The Grantee shall provide notice to any affected residents at the same time that the Grantee applies to the City for consent to perform tree trimming. The City shall have the right to do the trimming requested by the Grantee at the cost of the Grantee. Regardless of who performs the work requested by the Grantee, the Grantee shall be responsible, shall defend and hold City harmless from any and all damages to any tree as a result of Grantee's trimming, or to the property surrounding any tree, whether such tree is trimmed or removed.

3.5. Road Cuts. The Grantee shall not use road cuts for the laying of cables or wires without the prior approval of the City. In the absence of such approval, the Grantee shall utilize trenchless or subsurface methods for the laying of cables or wires.

3.6. Temporary Service Drops. The Grantee shall put forth every effort to bury temporary drops within fifteen (15) days after placement. Any delays for any other reason than listed will be communicated to the City. The following delays will be found understandable and within the course of doing business: weather, ground conditions, street bores, System redesign requirements, permitting, and any other unusual obstacle, such as obstructive landscaping that is created by the customer.

3.7. Restoration to prior condition. In case of any disturbance of pavement, sidewalk, landscaping, driveway or other surfacing, the Grantee shall, at its own cost and expense and in a manner approved by the City Engineer, replace and restore all paving, sidewalk, driveway, landscaping, and streets or alleys, including any subbase which was disturbed, in as good condition as before the work was commenced and in accordance with standards for such work set by the City Engineer. After thirty (30) days, if restoration measures are not performed to the reasonable satisfaction of the City Engineer, the City may undertake remedial restoration activities, such activities to be performed at the Grantee's cost.

SECTION 4: Service Obligations

4.1. Initial Service Obligations. As of the Effective Date of this Agreement, Grantee's Cable System has been designed to provide, and is capable of providing, Cable Service to residential Customers throughout the Initial Franchise Service Area. The Grantee shall continue to make Cable Service available in the Initial Service Area throughout the term of this Agreement and Grantee shall extend its Cable System and provide service consistent with the provisions of this Franchise Agreement.

4.2. General Service Obligation. The Grantee shall make Cable Service available beyond the Initial Franchise Service Area to every residential dwelling unit within the Franchise Area where the minimum density is at least thirty (30) dwelling units per linear Cable System network mile as measured from the existing Cable System's technically feasible connection point. Subject to the density requirement, Grantee shall offer Cable Service to all new homes or previously unserved homes located within one hundred twenty-five (125) feet of the Grantee's distribution cable (e.g., a Standard Installation).

4.2.1. The Grantee may elect to provide Cable Service to areas not meeting the above density and distance standards. The Grantee may impose an additional charge in excess of its regular installation charge for any service installation requiring a drop or line extension in excess of a Standard Installation. Any such additional charge shall be computed on a time plus materials basis plus a reasonable rate of return.

4.3. Programming. The Grantee agrees to provide cable programming services in the following broad categories:

Children	General Entertainment	Family Oriented
Ethnic/Minority	Sports	Weather
Educational	Arts, Culture and Performing Arts	News & Information

Pursuant and subject to federal law, all Video Programming decisions, excluding PEG Access Programming, are at the sole discretion of the Grantee.

4.4. Technical Standards. The Grantee shall comply with all applicable technical standards of the FCC as published in 47 C.F.R., Part 76, Subpart K, as amended from time to time. The Grantee shall cooperate with the City in conducting inspections related to these standards upon reasonable prior written request from the City based on a significant number of Subscriber complaints.

4.5. Annexations and New/Planned Developments. In cases of annexation the City shall provide the Grantee written notice of such annexation. In cases of new construction, planned developments or property development where undergrounding or extension of the Cable System is required pursuant to Section 4.2, the City shall ~~shall may~~ provide or cause the developer or property owner to provide notice of the same. Such notices shall be provided at the time of notice to all utilities or other like occupants of the City's Public Way, ~~if any said notices are provided.~~ If advance notice of such annexation, new construction, planned development or property development is not provided, the Grantee shall be allowed an adequate time to prepare, plan and provide a detailed report as to the timeframe for it to construct its facilities and provide the services required under this Franchise Agreement. ~~New construction, planned developments, or property development for purposes of this Section shall be situations in which more than three (3) contiguous lots will be constructed or developed within the existing Franchise Area.~~

Commented [A6]: Note to Washington – added "pursuant to Section 4.2" per our discussion.

Commented [A7]: Note to Washington – please confirm your acceptance of this deletion

4.6. Service to School Buildings and Governmental Facilities.

4.6.1. The City requests that Comcast provide Basic Cable Service (or its current equivalent) and one Digital Transport Adapter (or its current equivalent if equipment is

necessary to receive the service) to one outlet at the locations specified in Attachment A. The City shall notify Comcast of its election to be invoiced at standard rates for these services and equipment or to have the charges deducted from the franchise fee payment due the City. In the event the FCC's Third 621 Order is reversed on appeal (pending at the 6th Circuit at the time of this agreement) and that reversal becomes final, Comcast will provide the services set forth in this paragraph on a complimentary basis for the remaining term of the franchise to: (i) the locations specified in Attachment A; (ii) each Illinois accredited K-12 public school, not including "home schools," located in the Franchise Area within one hundred twenty-five (125) feet of the Grantee's distribution cable; and (iii) each Municipal Building in the Franchise Area within one hundred twenty-five (125) feet of the Grantee's distribution cable. Additional services, equipment, and locations may be added at the City's expense upon request but shall not be complimentary. "Municipal Buildings" are those buildings owned or leased by the City for government administrative purposes, and shall not include buildings owned by City but leased to third parties or buildings such as storage facilities at which government employees are not regularly stationed.

4.6.2. **Long Drops.** The Grantee may impose an additional charge in excess of its regular installation charge for any service installation requiring a drop or line extension in excess of a Standard Installation. Any such additional charge shall be computed on a time plus materials basis to be calculated on that portion of the installation that exceeds a Standard Installation.

4.7. **Emergency Alerts.** At all times during the term of this Franchise Agreement, the Grantee shall provide and maintain an "Emergency Alert System" ("EAS") consistent with applicable Federal law and regulation – including 47 C.F.R., Part 11 and the "State of Illinois Emergency Alert System State Plan" – as may be amended from time to time. Should the City become qualified and authorized to activate the EAS, the Grantee shall provide instructions on the access and use of the EAS by the City to the City on an annual basis. The City agrees to indemnify and hold the Grantee harmless from any damages or penalties arising out of the negligence of the City, its employees or agents in using such system.

SECTION 5: Oversight and Regulation by City

5.1. **Franchise Fees.** The Grantee shall pay to the City a Franchise Fee in an amount equal to five percent (5%) of annual Gross Revenues received from the operation of the Cable System to provide Cable Service in the Franchise Area; provided, however, that Grantee shall not be compelled to pay any higher percentage of fees than any other video service provider, under state authorization or otherwise, providing service in the Franchise Area. The payment of Franchise Fees shall be made on a quarterly basis and shall be due forty-five (45) days after the

close of each calendar quarter. If mailed, the Franchise Fee shall be considered paid on the date it is postmarked. Each Franchise Fee payment shall be accompanied by a report prepared by a representative of the Grantee showing the basis for the computation of the franchise fees paid during that period. Any undisputed Franchise Fee payment which remains unpaid in whole or in part, after the date specified herein shall be delinquent. For any delinquent Franchise Fee payments, Grantee shall make such payments including interest at the prime lending rate as quoted by JP Morgan Chase & Company or its successor, computed from time due until paid. Any undisputed overpayments made by the Grantee to the City shall be credited upon discovery of such overpayment until such time when the full value of such credit has been applied to the Franchise Fee liability otherwise accruing under this Section.

5.1.1. The Parties acknowledge that, at present, the Cable Act limits the City to collection of a maximum permissible Franchise Fee of five percent (5%) of Gross Revenues. In the event that a change in the Cable Act would allow the City to increase the Franchise Fee above five percent (5%), and the City actually proposes to increase the Franchise Fee in exercise of such authority, the City may amend the Franchise Fee percentage. Following the determination to increase the Franchise Fee and enactment of an ordinance enabling the same ~~(if said Ordinance is required by law)~~, the City shall notify the Grantee of its intent to collect the increased Franchise Fee, and Grantee shall have a reasonable time (not to be less than ninety (90) days from receipt of notice from the City) to effectuate any changes necessary to begin the collection of such increased Franchise Fee. In the event that the City increases said Franchise Fee, the Grantee shall notify its Subscribers of the City's decision to increase said fee prior to the implementation of the collection of said fee from Subscribers as required by law.

Commented [A9]: Note to Washington – please confirm acceptance of this deletion

5.1.2. In the event a change in state or federal law requires the City to reduce the franchise fee percentage that may be collected, the parties agree the Grantee shall reduce the percentage of franchise fees collected to the lower of: i) the maximum permissible franchise fee percentage; or ii) the lowest franchise fee percentage paid by any other Cable Operator granted a Cable Franchise by the City pursuant to the Cable Act, and Section 11-42-11 of the Illinois Municipal/Counties Code; provided that: (a) such amendment is in compliance with the change in state or federal law; (b) the City approves the amendment by ordinance ~~(if the amendment must be made by ordinance)~~; and (c) the City notifies Grantee at least ninety (90) days prior to the effective date of such an amendment.

Commented [A11]: Note to Washington – Deleted this reference to maintain consistency with the above

5.1.3. **Taxes Not Included.** The Grantee acknowledges and agrees that the term "Franchise Fee" does not include any tax, fee, or assessment of general applicability (including any such tax, fee, or assessment imposed on both utilities and Cable Operators on their services but not including a tax, fee, or assessment which is unduly discriminatory against Cable Operators or Cable Subscribers).

5.2. **Franchise Fees Subject to Audit.** The City and Grantee acknowledge that the audit standards are set forth in the Illinois Municipal Code at 65 ILCS 5/11-42-11.05 (Municipal Franchise Fee Review; Requests For Information). Any audit shall be conducted in accordance with generally applicable auditing standards.

5.2.1 In accordance with 65 ILCS 5/11-42-11.05 (k), the City shall provide on an annual basis, a complete list of addresses within the corporate limits of the City. If an address is not

included in the list or if no list is provided, the Grantee shall be held harmless for any franchise fee underpayments (including penalty and interest) from situsing errors.

5.3. **Proprietary Information.** Notwithstanding anything to the contrary set forth in this Agreement, the Grantee shall not be required to disclose information which it reasonably deems to be proprietary or confidential in nature, with the exception of the information directly related to an audit of Franchise Fees as set forth in Section 5.2. The City agrees to treat any information disclosed by the Grantee as confidential and only to disclose it to those employees, representatives, and agents of the City that have a need to know in order to enforce this Franchise Agreement and who agree to maintain the confidentiality of all such information. For purposes of this Section, the terms “proprietary or confidential” include, but are not limited to, information relating to the Cable System design, customer lists, marketing plans, financial information unrelated to the calculation of Franchise Fees or rates pursuant to FCC rules, or other information that is reasonably determined by the Grantee to be competitively sensitive. Grantee may make proprietary or confidential information available for inspection but not copying or removal by the Franchise Authority’s representative. In the event that the City has in its possession and receives a request under the Illinois Freedom of Information Act (5 ILCS 140/1 *et seq.*), or similar law for the disclosure of information the Grantee has designated as confidential, trade secret or proprietary, the City shall notify Grantee of such request and cooperate with Grantee in opposing such request, provided the City determines the withholding of such information may be justified and lawful. Grantee shall indemnify and defend the City from and against any claims arising from the City’s opposition to disclosure of any information Grantee designates as proprietary or confidential. Compliance by the City with an opinion or directive from the Illinois Public Access Counselor or the Illinois Attorney General under the Illinois Freedom of Information Act, 5 ILCS 140/1 *et seq.*, or with a decision or order of a court with jurisdiction over the City, shall not be a violation of this Section.

SECTION 6: Transfer of Cable System or Franchise or Control of Grantee

6.1. Neither the Grantee nor any other Person may transfer the Cable System or the Franchise without the prior written consent of the City, which consent shall not be unreasonably withheld or delayed.

6.2. No transfer of control of the Grantee, defined as an acquisition of fifty-one percent (51%) or greater ownership interest in Grantee, shall take place without the prior written consent of the City, which consent shall not be unreasonably withheld or delayed.

6.3. No consent shall be required, however, for (i) a transfer in trust, by mortgage, hypothecation, or by assignment of any rights, title, or interest of the Grantee in the Franchise or in the Cable System in order to secure indebtedness, or (ii) a transfer to an entity directly or indirectly owned or controlled by Comcast Corporation.

6.4. The Grantee, and any proposed transferee under this Section 6, shall submit a written application to the City containing or accompanied by such information as is required in accordance with applicable law and FCC regulations, specifically including a completed Form 394 or its successor, and in compliance with the processes established for transfers under FCC rules and regulations, including Section 617 of the Cable Act, 47 U.S.C. §537. Within thirty (30)

days after receiving a request for consent, the City shall, in accordance with FCC rules and regulations, notify the Grantee in writing of the additional information, if any, it requires to determine the legal, financial and technical qualifications of the transferee or new controlling party. If the City has not taken final action on the Grantee's request for consent within one hundred twenty (120) days after receiving such request, consent shall be deemed granted. As a condition to granting of any consent, the City may require the transferee to agree in writing to assume the obligations of the Grantee under this Franchise Agreement.

6.5. Any transfer of control resulting from or after the appointment of a receiver or receivers or trustee or trustees, however denominated, designated to take over and conduct the business of the grantee, whether in a receivership, reorganization, bankruptcy or other action or proceeding, unless such receivership or trusteeship shall have been vacated prior to the expiration of a one hundred twenty (120) day period, shall be treated as a transfer of control pursuant to 47 U.S.C. §537 and require the City's consent thereto in the manner described in Section 6 above.

SECTION 7: Insurance and Indemnity

7.1. Insurance. Throughout the term of this Franchise Agreement, the Grantee shall, at its own cost and expense, maintain Commercial General Liability Insurance and provide the City certificates of insurance designating the City and its officers, boards, commissions, councils, elected officials, agents and employees as additional insureds and demonstrating that the Grantee has obtained the insurance required in this Section. Such policy or policies shall be in the minimum amount of three million dollars (\$3,000,000.00) for bodily injury or death to anyone person, and three million dollars (\$3,000,000.00) for bodily injury or death of any two or more persons resulting from one occurrence, and three million dollars (\$3,000,000.00) for property damage resulting from anyone accident. Such policy or policies shall ~~be non-cancelable except upon thirty (30) days prior written notice to the City provide for notice of cancellation in accordance with policy revisions.~~ The Grantee shall provide workers' compensation coverage in accordance with applicable law. ~~The Grantee shall indemnify and hold harmless the City from any workers compensation claims to which the Grantee may become subject during the term of this Franchise Agreement.~~

Commented [A13]: Note to Washington – Reinserted “agents” to maintain consistency with 7.2

7.2. Indemnification. The Grantee shall indemnify, defend and hold harmless the City, its officers, employees, ~~contractors~~, and agents (the “Indemnitees”) from and against any injuries, claims, demands, judgments, damages, losses and expenses, including reasonable attorney's fees and costs of suit or defense (the “Indemnification Events”), arising in the course of the Grantee constructing, maintaining, operating, and removing its Cable System within the City. The Grantee's obligation with respect to the Indemnitees shall apply to Indemnification Events which may occur during the term of this Agreement, provided that the claim or action is initiated within the applicable statute of limitations, notwithstanding that the claim may be made or action filed subsequent to the termination or expiration of this Agreement. The City shall give the Grantee timely written notice of its obligation to indemnify and defend the City after the City's receipt of a claim or action pursuant to this Section. For purposes of this Section, the word “timely” shall mean within a time period that does not cause prejudice to the respective positions of the Grantee and/or the City. If the City elects in its own discretion to employ

Commented [A15]: Note to Washington – I believe the concerns with the inclusion of the last sentence in 7.1 are addressed by this reference to “claims” in 7.2

additional counsel, the costs for such additional counsel for the City shall be the responsibility of the City.

7.2.1. The Grantee shall not indemnify the City for any liabilities, damages, costs or expense resulting from any conduct for which the City, its officers, employees and agents may be liable under the laws of the State of Illinois.

7.2.2. Nothing herein shall be construed to limit the Grantee's duty to indemnify the City by reference to the limits of insurance coverage described in this Agreement. The indemnification obligation in this Agreement is not limited in any way by a limitation of the amount or type of damages or compensation payable by or for Grantee under workers' compensation, disability or other employee benefit acts, acceptance of insurance certificates required by this Franchise Agreement, or the terms, applicability or limitations of any insurance held by Grantee.

SECTION 8: Public, Educational and Governmental (PEG) Access

8.1 PEG Capacity. As of the Effective Date of this Agreement, the City does not utilize a PEG channel; however, the City may request, and Grantee shall provide, a PEG channel upon one hundred eighty (180) days advance written notice by the City. The Grantee shall provide capacity for the City's noncommercial public, educational and governmental access ("PEG") programming through one Channel (the "Channel") on the Grantee's Cable System. Unless otherwise agreed to by the City and the Grantee to the extent required by applicable law, the Channel may be carried on the Grantee's basic digital service tier. The City's PEG programming shall be provided consistent with Section 611 of the Cable Act, as amended from time to time.

Commented [A16]: Note to Washington - This section is fine in the event the City wishes to explore the possibility of PEG in the future

8.1.1 Ownership Rights. The Grantee does not relinquish its ownership of or ultimate right of control over a channel by designating it for PEG use. However, the PEG channel is, and shall be, operated by the City, and the City may at any time allocate or reallocate the usage of the PEG channel among and between different non-commercial uses and Users.

8.1.2 Origination Point. At such time that the City determines that it wants to establish capacity to allow its residents who subscribe to Grantee's Cable Service to receive PEG access programming originated from a City building, the City will give the Grantee written notice detailing the point of origination and the capability sought by the City. The City shall be responsible for the costs to acquire and install the origination point and connection to the Cable System; provided the connection shall be owned and maintained by the Grantee. The Grantee agrees to submit a cost estimate to implement the City's plan within a reasonable period of time. After an agreement to reimburse the Grantee for its expenditure, the Grantee will implement any necessary system changes within a reasonable period of time.

8.1.3 Grantee Use of Unused Time. Because the City and Grantee agree that a blank or underutilized Access Channel is not in the public interest, in the event the City does not completely program a Channel, Grantee may utilize the Channel for its own purposes.

Grantee may program unused time on the Channel subject to reclamation from the City upon no less than sixty (60) days' notice. Except as otherwise provided herein, the programming of the Access Channel with text messaging or playback of previously aired programming shall not constitute unused time. Text messaging containing out of date or expired information for a period of thirty (30) days shall be considered unused time. A programming schedule that contains playback of previously aired programming that has not been updated for a period of ninety (90) days shall be considered unused time. Unused time shall be considered to be a period of time, in excess of six (6) hours, where no community produced programming of any kind can be viewed on an access Channel. Unused time shall not include periods of time where programming cannot be viewed that are caused by technical difficulties, transition of broadcast media, signal testing, replacement or repair of equipment, or installation or relocation of facilities.

8.1.4 PEG Capital Support. At its sole discretion, the City may designate PEG access capital projects to be funded by the City. The City shall send written notice of the City's desire for Grantee to collect as an external charge a PEG Capital Fee of up to thirty-five cents (\$0.35) per customer per month to be passed on to each Subscriber pursuant Section 622(g)(2)(C) of the Cable Act (47 U.S.C. §542(g)(2)(C)). The Grantee shall collect the external charge over a period of twelve (12) months, unless some other period is mutually agreed upon in writing, and shall make the PEG capital payments from such sums at the same time and in the same manner as Franchise Fee payments. The notice shall include a detailed and itemized description of the intended utilization of the PEG Capital Fee for PEG Access Channel facilities and/or equipment and the Grantee shall have the opportunity to review and make recommendations upon the City's plan prior to agreeing to collect and pay to the City the requested amount. The capital payments shall be expended for capital costs associated with PEG access. Consistent with the description of the intended utilization of the PEG Capital Fee, the City shall be permitted to hold all or a portion of the PEG Capital Fee from year to year as a designated fund to permit the City to make large capital expenditures, if necessary, as long as the City spends the entire amount collected by the end of the term of this Agreement. Moreover, if the City chooses to borrow from itself or a financial institution revenue for large PEG capital purchases or capital expenditures, the City shall be permitted to make periodic repayments using the PEG Capital Fee. Said PEG Capital Fee shall be imposed within one hundred twenty days (120) of the City's written request.

8.1.5 For any payments owed by Grantee in accordance with this Section 8.1 which are not made on or before the due dates, Grantee shall make such payments including interest at an annual rate of the prime lending rate as quoted by Chase Bank U.S.A. or its successor, whichever is higher, computed from time due until paid. Any undisputed overpayments made by the Grantee to the City shall be credited upon discovery of such overpayment until such time when the full value of such credit has been applied to the Franchise Fee liability otherwise accruing under this Section.

8.1.6 Grantee and City agree that the capital obligations set forth in this Section are not "Franchise Fees" within the meaning of 47 U.S.C. § 542. *Open for discussion on PEG needs*

SECTION 9: Enforcement of Franchise

9.1. Notice of Violation or Default. In the event the City believes that the Grantee has not complied with a material term of the Franchise, it shall notify the Grantee in writing with specific details regarding the exact nature of the alleged noncompliance or default.

9.2. Grantee's Right to Cure or Respond. The Grantee shall have thirty (30) days from the receipt of the City's written notice: (A) to respond to the City, contesting the assertion of noncompliance or default; or (B) to cure such default; or (C) in the event that, by nature of the default, such default cannot be cured within the thirty (30) day period, initiate reasonable steps to remedy such default and notify the City of the steps being taken and the projected date that the cure will be completed.

9.3. Enforcement. Subject to applicable federal and state law, and following notice and an opportunity to cure and respond pursuant to the provisions of Section 9.2 above, in the event the City determines that the Grantee is in default of any material provision of the Franchise, the City may:

9.3.1. seek specific performance of any provision that reasonably lends itself to such remedy or seek other relief available at law, including declaratory or injunctive relief; or

9.3.2. in the case of a substantial or frequent default of a material provision of the Franchise, declare the Franchise Agreement to be revoked in accordance with the following:

(i) The City shall give written notice to the Grantee of its intent to revoke the Franchise on the basis of a pattern of noncompliance by the Grantee. The notice shall set forth with specificity the exact nature of the noncompliance. The Grantee shall have ninety (90) days from the receipt of such notice to object in writing and to state its reasons for such objection. In the event the City has not received a response from the Grantee or upon receipt of the response does not agree with the Grantee's proposed remedy or in the event that the Grantee has not taken action to cure the default, it may then seek termination of the Franchise at a public hearing. The City shall cause to be served upon the Grantee, at least ten (10) days prior to such public hearing, a written notice specifying the time and place of such hearing and stating its intent to request termination of the Franchise.

(ii) At the designated hearing, the City shall give the Grantee an opportunity to state its position on the matter, present evidence and question witnesses, after which the City shall determine whether or not the Franchise shall be terminated. The public hearing shall be on the record. A copy of the transcript shall be made available to the Grantee at its sole expense. The decision of the City shall be in writing and shall be delivered to the Grantee in a manner authorized by Section 10.2. The Grantee may appeal such determination to any court with jurisdiction within thirty (30) days after receipt of the City's decision.

9.4. Remedies Not Exclusive. In addition to the remedies set forth in this Section 9, the Grantee acknowledges the City's ability pursuant to Section 4.8 of this Franchise Agreement

to enforce the requirements and standards, and the penalties for non-compliance with such standards, consistent with the Illinois Cable and Video Customer Protection Law; and, pursuant to Section 3.1 of this Franchise Agreement ~~and Ordinance 2000-10 of the Washington Municipal Code~~, to enforce the Grantee's compliance with the City's requirements ~~for use of the Public Ways, regarding "Construction of Utility Facilities in the Rights Of Way."~~ ~~The City may pursue all remedies available at law or in equity to enforce the terms and conditions of this Agreement.~~ Notwithstanding the foregoing, nothing in this Agreement shall be interpreted to permit the City to exercise such rights and remedies in a manner that permits duplicative recovery from, or payments by, the Grantee. Such remedies may be exercised from time to time and as often and in such order as may be deemed expedient by the City.

SECTION 10: Miscellaneous Provisions

10.1. **Force Majeure.** The Grantee shall not be held in default under, or in noncompliance with, the provisions of the Franchise, nor suffer any enforcement or penalty relating to noncompliance or default (including termination, cancellation or revocation of the Franchise), where such noncompliance or alleged defaults occurred or were caused by strike, riot, war, earthquake, flood, tidal wave, unusually severe rain or snow storm, hurricane, tornado or other catastrophic act of nature, labor disputes, failure of utility service necessary to operate the Cable System, governmental, administrative or judicial order or regulation or other event that is reasonably beyond the Grantee's ability to anticipate or control. This provision also covers work delays caused by waiting for utility providers to service or monitor their own utility poles on which the Grantee's cable or equipment is attached, as well as unavailability of materials or qualified labor to perform the work necessary. Non-compliance or default shall be corrected within a reasonable amount of time after force majeure has ceased.

10.2. **Notice.** Any notification that requires a response or action from a party to this franchise within a specific time-frame, or that would trigger a timeline that would affect one or both parties' rights under this franchise, shall be in writing and shall be sufficiently given and served upon the other party by hand delivery, first class mail, registered or certified, return receipt requested, postage prepaid, or by reputable overnight courier service and addressed as follows:

Any matter brought pursuant to the jurisdiction of the federal court shall be brought in the United States District Court of the Central District of Illinois.

Except as provided in Sections 5.1.1 and 5.1.2, no provision of this Franchise Agreement shall be amended or otherwise modified, in whole or in part, except by an instrument, in writing, duly executed by the City and the Grantee, which amendment shall be authorized on behalf of the City through the adoption of an appropriate ordinance or resolution by the City, as required by applicable law.

10.8. No Third-Party Beneficiaries. Nothing in this Franchise Agreement is intended to confer third-party beneficiary status on any person, individual, corporation or member of the public to enforce the terms of this Franchise Agreement.

10.9. No Waiver of Rights. Nothing in this Franchise Agreement shall be construed as a waiver of any rights, substantive or procedural, Grantee may have under Federal or state law unless such waiver is expressly stated herein.

The City, having determined that the financial, legal, and technical abilities of the Grantee are reasonably sufficient to provide the services, facilities, and equipment necessary to meet the future cable-related needs of the community, desires to enter into this Franchise Agreement with the Grantee for the construction, operation and maintenance of a Cable System on the terms and conditions set forth herein.

This Agreement is entered into by and between the parties under the authority of and shall be governed by the Cable Act, and the Illinois Municipal Code, as amended from time to time; provided that any provisions of the Illinois Municipal Code that are inconsistent with the Cable Act shall be deemed to be preempted and superseded.

SECTION 1: Definition of Terms

2.1. Pursuant to Section 621(a) of the Cable Act, 47 U.S.C. § 541 (a), and 65 ILCS 5/11-42-11(a) of the Illinois Municipal Code, and Ordinance No. _____ approving and authorizing the execution of this Agreement, the City hereby grants to the Grantee a nonexclusive Franchise authorizing the Grantee to construct and operate a Cable System in the Public Ways within the Franchise Area, and for that purpose to erect, install, construct, repair, replace, reconstruct, maintain, or retain in any Public Way such poles, wires, cables, conductors, ducts, conduits, vaults, manholes, pedestals, amplifiers, appliances, attachments, and other related property or equipment as may be necessary or appurtenant to the Cable System, and to provide such services over the Cable System as may be lawfully allowed.

2.2. Term of Franchise. The term of the Franchise granted hereunder shall be ten (10) years from the Effective Date, unless the Franchise is renewed or is lawfully terminated in accordance with the terms of this Franchise Agreement and/or applicable law. From and after the Effective Date of this Franchise Agreement, the Parties acknowledge that this Franchise Agreement is intended to be the sole and exclusive Franchise Agreement between the Parties pertaining to the Grantee's Franchise for the provision of Cable Service.

2.3. Renewal. Any renewal of this Franchise shall be governed by and comply with the provisions of Section 626 of the Cable Act, as amended, and any applicable State law which may exist at the time of renewal and which is not superseded by the Cable Act.

2.4. Police Powers. Nothing in this Franchise Agreement shall be construed as an abrogation by the City of any of its police powers to adopt and enforce generally applicable ordinances deemed necessary for the health, safety, and welfare of the public, and the Grantee shall comply with all generally applicable laws and ordinances enacted by the City pursuant to such police power.

2.5. Reservation of Authority. Nothing in this Franchise Agreement shall (A) abrogate the right of the City to perform any public works or public improvements of any description, (B) be construed as a waiver of any codes or ordinances of general applicability promulgated by the City, or (C) be construed as a waiver or release of the rights of the City in and to the Public Ways.

2.6. Competitive Equity.

2.6.1. In the event the City grants an additional Franchise to use and occupy any Public Way for the purposes of operating a Cable System, the additional Franchise shall only be granted in accordance with the Illinois Level Playing Field Statute, 65 ILCS 5/11-42-11.

2.6.2. In the event an application for a new cable television franchise or other similar authorization is filed with the City proposing to serve the Franchise Area, in whole or in part, the City shall to the extent permitted by law promptly notify the Grantee, or require the Grantee to be notified, and include a copy of such application.

2.6.3. Provided that appropriate vehicle safety markings have been deployed, Grantee's vehicles shall be exempt from parking restrictions of the City while used in the course of installation, repair and maintenance work on the Cable System.

SECTION 3: Construction and Maintenance of the Cable System

3.1. Except as may be otherwise provided in this Franchise Agreement, Grantee shall comply with all generally applicable provisions of the City of Washington Municipal Code, as may be amended from time to time.

3.1.1. Construction, installation and maintenance of the Cable System shall be performed in an orderly and workmanlike manner. All construction must also conform to all City of Washington policies and permit requirements. Grantee must provide erosion control, backfilling and compaction and restoration to meet City specifications. All cables and

wires shall be installed, where possible, parallel with electric and telephone lines. Multiple cable configurations shall be arranged in parallel and bundled with due respect for engineering considerations.

3.1.2. The Grantee shall at all times comply with the National Electrical Code (National Fire Protection Association) and applicable FCC or other federal, state and local regulations.

3.2. Aerial and Underground Construction. At the time of Cable System construction, if all of the transmission and distribution facilities of all of the respective public or municipal utilities in any area of the Franchise Area are underground, the Grantee shall place its Cable Systems' transmission and distribution facilities underground, provided that such underground locations are actually capable of accommodating the Grantee's cable and other equipment without technical degradation of the Cable System's signal quality. In any region(s) of the Franchise Area where the transmission or distribution facilities of the respective public or municipal utilities are both aerial and underground, the Grantee shall have the discretion to construct, operate, and maintain all of its transmission and distribution facilities or any part thereof, aerially or underground. Nothing in this Section shall be construed to require the Grantee to construct, operate, or maintain underground any ground-mounted appurtenances such as customer taps, line extenders, system passive devices, amplifiers, power supplies, pedestals, or other related equipment. Nothing in this Section prohibits the City from forcing a relocation of all users of the Public Way to aerial or underground, subject to the provisions of Section 3.3.

3.3. Undergrounding and Beautification Projects.

3.3.1. In the event the City requires users of the Public Way who operate aerial facilities to relocate such aerial facilities underground, Grantee shall participate in the planning for relocation of its aerial facilities, if any, contemporaneously with such users. Grantee shall be reimbursed its relocation costs from public funds allocated for the project to the same extent as such funds are made available to other users of the Public Way, if any, provided that any utility's exercise of authority granted under its tariff to charge consumers for the said utility's cost of the project that are not reimbursed by the City shall not be considered to be public or private funds.

3.3.2. The Grantee shall not be required to relocate its facilities unless it has been afforded at least sixty (60) days notice of the necessity to relocate its facilities. Upon adequate notice the Grantee shall provide a written estimate of the cost associated with the work necessary to relocate its facilities. In instances where a third party is seeking the relocation of the Grantee's facilities or where the Grantee is entitled to reimbursement pursuant to the preceding Section, the Grantee shall not be required to perform the relocation work until it has received payment for the relocation work.

3.3.3 If at any time during the period of the Franchise, the City shall lawfully elect to alter or change any street, alley or other public ways or any municipal underground facilities, the Grantee shall promptly and diligently remove or relocate as necessary its poles, wires, cables, underground conduits, manholes, and/or other facilities. Grantee shall be reimbursed its relocation costs from public funds allocated for the project to the same extent as such funds are made available to other users of the Public Way, if any, provided that any utility's

exercise of authority granted under its tariff to charge consumers for the said utility's cost of the project that are not reimbursed by the City shall not be considered to be public or private funds.

3.4 Tree Trimming. The Grantee shall not remove any tree or trim any portion of any tree within any public street as defined herein without the prior consent of the City, except in an emergency situation. The Grantee shall provide notice to any affected residents at the same time that the Grantee applies to the City for consent to perform tree trimming. The City shall have the right to do the trimming requested by the Grantee at the cost of the Grantee. Regardless of who performs the work requested by the Grantee, the Grantee shall be responsible, shall defend and hold City harmless from any and all damages to any tree as a result of Grantee's trimming, or to the property surrounding any tree, whether such tree is trimmed or removed.

3.5. Road Cuts. The Grantee shall not use road cuts for the laying of cables or wires without the prior approval of the City. In the absence of such approval, the Grantee shall utilize trenchless or subsurface methods for the laying of cables or wires.

3.6. Temporary Service Drops. The Grantee shall put forth every effort to bury temporary drops within fifteen (15) days after placement. Any delays for any other reason than listed will be communicated to the City. The following delays will be found understandable and within the course of doing business: weather, ground conditions, street bores, System redesign requirements, permitting, and any other unusual obstacle, such as obstructive landscaping that is created by the customer.

3.7. Restoration to prior condition. In case of any disturbance of pavement, sidewalk, landscaping, driveway or other surfacing, the Grantee shall, at its own cost and expense and in a manner approved by the City Engineer, replace and restore all paving, sidewalk, driveway, landscaping, and streets or alleys, including any subbase which was disturbed, in as good condition as before the work was commenced and in accordance with standards for such work set by the City Engineer. After thirty (30) days, if restoration measures are not performed to the reasonable satisfaction of the City Engineer, the City may undertake remedial restoration activities, such activities to be performed at the Grantee's cost.

SECTION 4: Service Obligations

4.1. Initial Service Obligations. As of the Effective Date of this Agreement, Grantee's Cable System has been designed to provide, and is capable of providing, Cable Service to residential Customers throughout the Initial Franchise Service Area. The Grantee shall continue to make Cable Service available in the Initial Service Area throughout the term of this Agreement and Grantee shall extend its Cable System and provide service consistent with the provisions of this Franchise Agreement.

4.2. General Service Obligation. The Grantee shall make Cable Service available beyond the Initial Franchise Service Area to every residential dwelling unit within the Franchise Area where the minimum density is at least thirty (30) dwelling units per linear Cable System network mile as measured from the existing Cable System's technically feasible connection point. Subject to the density requirement, Grantee shall offer Cable Service to all new homes or

previously unserved homes located within one hundred twenty-five (125) feet of the Grantee's distribution cable (e.g., a Standard Installation).

4.2.1. The Grantee may elect to provide Cable Service to areas not meeting the above density and distance standards. The Grantee may impose an additional charge in excess of its regular installation charge for any service installation requiring a drop or line extension in excess of a Standard Installation. Any such additional charge shall be computed on a time plus materials basis plus a reasonable rate of return.

4.3. Programming. The Grantee agrees to provide cable programming services in the following broad categories:

Children	General Entertainment	Family Oriented
Ethnic/Minority	Sports	Weather
Educational	Arts, Culture and Performing Arts	News & Information

Pursuant and subject to federal law, all Video Programming decisions, excluding PEG Access Programming, are at the sole discretion of the Grantee.

4.4. Technical Standards. The Grantee shall comply with all applicable technical standards of the FCC as published in 47 C.F.R., Part 76, Subpart K, as amended from time to time. The Grantee shall cooperate with the City in conducting inspections related to these standards upon reasonable prior written request from the City based on a significant number of Subscriber complaints.

4.5. Annexations and New/Planned Developments. In cases of annexation the City shall provide the Grantee written notice of such annexation. In cases of new construction, planned developments or property development where undergrounding or extension of the Cable System is required pursuant to Section 4.2, the City shall provide or cause the developer or property owner to provide notice of the same. Such notices shall be provided at the time of notice to all utilities or other like occupants of the City's Public Way. If advance notice of such annexation, new construction, planned development or property development is not provided, the Grantee shall be allowed an adequate time to prepare, plan and provide a detailed report as to the timeframe for it to construct its facilities and provide the services required under this Franchise Agreement.

4.6. Service to School Buildings and Governmental Facilities.

4.6.1. The City requests that Comcast provide Basic Cable Service (or its current equivalent) and one Digital Transport Adapter (or its current equivalent if equipment is necessary to receive the service) to one outlet at the locations specified in Attachment A. The City shall notify Comcast of its election to be invoiced at standard rates for these services and equipment or to have the charges deducted from the franchise fee payment due the City. In the event the FCC's Third 621 Order is reversed on appeal (pending at the 6th Circuit at the time of this agreement) and that reversal becomes final, then Grantee and City further agrees and acknowledges upon any such reversal the provisions of 220 ILCS 5/22-501(f), whereby the Grantee shall provide complimentary Basic Cable Service, and a free Standard Installation at one

outlet to all eligible buildings as defined in said state statute. Eligible buildings shall include: (i) the locations specified in Attachment A; (ii) each Illinois accredited K-12 public school, not including "home schools," located in the Franchise Area within one hundred twenty-five (125) feet of the Grantee's distribution cable; and (iii) each municipal building in the Franchise Area within one hundred twenty-five (125) feet of the Grantee's distribution cable. Eligible buildings shall not include buildings leased to non-governmental third parties or buildings such as storage facilities at which government employees are not regularly stationed.

4.6.2. Long Drops. The Grantee may impose an additional charge in excess of its regular installation charge for any service installation requiring a drop or line extension in excess of a Standard Installation. Any such additional charge shall be computed on a time plus materials basis to be calculated on that portion of the installation that exceeds a Standard Installation.

4.7. Emergency Alerts. At all times during the term of this Franchise Agreement, the Grantee shall provide and maintain an "Emergency Alert System" ("EAS") consistent with applicable Federal law and regulation – including 47 C.F.R., Part 11 and the "State of Illinois Emergency Alert System State Plan" – as may be amended from time to time. Should the City become qualified and authorized to activate the EAS, the Grantee shall provide instructions on the access and use of the EAS by the City to the City on an annual basis. The City agrees to indemnify and hold the Grantee harmless from any damages or penalties arising out of the negligence of the City, its employees or agents in using such system.

4.8. Customer Service Obligations. The City and Grantee acknowledge that certain customer service standards and customer privacy protections are set forth in the Cable and Video Customer Protection Law, 220 ILCS 5/22-501 *et. seq.* Enforcement of such requirements and standards and the penalties for non-compliance with such standards shall be consistent with the Cable and Video Customer Protection Law, 220 ILCS 5/22-501 *et. seq.*

SECTION 5: Oversight and Regulation by City

5.1. Franchise Fees. The Grantee shall pay to the City a Franchise Fee in an amount equal to five percent (5%) of annual Gross Revenues received from the operation of the Cable System to provide Cable Service in the Franchise Area; provided, however, that Grantee shall not be compelled to pay any higher percentage of fees than any other video service provider, under state authorization or otherwise, providing service in the Franchise Area. The payment of Franchise Fees shall be made on a quarterly basis and shall be due forty-five (45) days after the close of each calendar quarter. If mailed, the Franchise Fee shall be considered paid on the date it is postmarked. Each Franchise Fee payment shall be accompanied by a report prepared by a representative of the Grantee showing the basis for the computation of the franchise fees paid during that period. Any undisputed Franchise Fee payment which remains unpaid in whole or in part, after the date specified herein shall be delinquent. For any delinquent Franchise Fee payments, Grantee shall make such payments including interest at the prime lending rate as quoted by JP Morgan Chase & Company or its successor, computed from time due until paid. Any undisputed overpayments made by the Grantee to the City shall be credited upon discovery

of such overpayment until such time when the full value of such credit has been applied to the Franchise Fee liability otherwise accruing under this Section.

5.1.1. The Parties acknowledge that, at present, the Cable Act limits the City to collection of a maximum permissible Franchise Fee of five percent (5%) of Gross Revenues. In the event that a change in the Cable Act would allow the City to increase the Franchise Fee above five percent (5%), and the City actually proposes to increase the Franchise Fee in exercise of such authority, the City may amend the Franchise Fee percentage. Following the determination to increase the Franchise Fee and enactment of an ordinance enabling the same, the City shall notify the Grantee of its intent to collect the increased Franchise Fee, and Grantee shall have a reasonable time (not to be less than ninety (90) days from receipt of notice from the City) to effectuate any changes necessary to begin the collection of such increased Franchise Fee. In the event that the City increases said Franchise Fee, the Grantee shall notify its Subscribers of the City's decision to increase said fee prior to the implementation of the collection of said fee from Subscribers as required by law.

5.1.2. In the event a change in state or federal law requires the City to reduce the franchise fee percentage that may be collected, the parties agree the Grantee shall reduce the percentage of franchise fees collected to the lower of: i) the maximum permissible franchise fee percentage; or ii) the lowest franchise fee percentage paid by any other Cable Operator granted a Cable Franchise by the City pursuant to the Cable Act, and Section 11-42-11 of the Illinois Municipal/Counties Code provided that: (a) such amendment is in compliance with the change in state or federal law; (b) the City approves the amendment by ordinance; and (c) the City notifies Grantee at least ninety (90) days prior to the effective date of such an amendment.

5.1.3. Taxes Not Included. The Grantee acknowledges and agrees that the term "Franchise Fee" does not include any tax, fee, or assessment of general applicability (including any such tax, fee, or assessment imposed on both utilities and Cable Operators on their services but not including a tax, fee, or assessment which is unduly discriminatory against Cable Operators or Cable Subscribers).

5.2. Franchise Fees Subject to Audit. The City and Grantee acknowledge that the audit standards are set forth in the Illinois Municipal Code at 65 ILCS 5/11-42-11.05 (Municipal Franchise Fee Review; Requests For Information). Any audit shall be conducted in accordance with generally applicable auditing standards.

5.2.1 In accordance with 65 ILCS 5/11-42-11.05 (k), the City shall provide on an annual basis, a complete list of addresses within the corporate limits of the City. If an address is not included in the list or if no list is provided, the Grantee shall be held harmless for any franchise fee underpayments (including penalty and interest) from situsing errors.

5.3. Proprietary Information. Notwithstanding anything to the contrary set forth in this Agreement, the Grantee shall not be required to disclose information which it reasonably deems to be proprietary or confidential in nature, with the exception of the information directly related to an audit of Franchise Fees as set forth in Section 5.2. The City agrees to treat any information disclosed by the Grantee as confidential and only to disclose it to those employees, representatives, and agents of the City that have a need to know in order to enforce this Franchise

Agreement and who agree to maintain the confidentiality of all such information. For purposes of this Section, the terms "proprietary or confidential" include, but are not limited to, information relating to the Cable System design, customer lists, marketing plans, financial information unrelated to the calculation of Franchise Fees or rates pursuant to FCC rules, or other information that is reasonably determined by the Grantee to be competitively sensitive. Grantee may make proprietary or confidential information available for inspection but not copying or removal by the Franchise Authority's representative. In the event that the City has in its possession and receives a request under the Illinois Freedom of Information Act (5 ILCS 140/1 *et seq.*), or similar law for the disclosure of information the Grantee has designated as confidential, trade secret or proprietary, the City shall notify Grantee of such request and cooperate with Grantee in opposing such request, provided the City determines the withholding of such information may be justified and lawful. Grantee shall indemnify and defend the City from and against any claims arising from the City's opposition to disclosure of any information Grantee designates as proprietary or confidential. Compliance by the City with an opinion or directive from the Illinois Public Access Counselor or the Illinois Attorney General under the Illinois Freedom of Information Act, 5 ILCS 140/1 *et seq.*, or with a decision or order of a court with jurisdiction over the City, shall not be a violation of this Section.

SECTION 6: Transfer of Cable System or Franchise or Control of Grantee

6.1. Neither the Grantee nor any other Person may transfer the Cable System or the Franchise without the prior written consent of the City, which consent shall not be unreasonably withheld or delayed.

6.2. No transfer of control of the Grantee, defined as an acquisition of fifty-one percent (51%) or greater ownership interest in Grantee, shall take place without the prior written consent of the City, which consent shall not be unreasonably withheld or delayed.

6.3. No consent shall be required, however, for (i) a transfer in trust, by mortgage, hypothecation, or by assignment of any rights, title, or interest of the Grantee in the Franchise or in the Cable System in order to secure indebtedness, or (ii) a transfer to an entity directly or indirectly owned or controlled by Comcast Corporation.

6.4. The Grantee, and any proposed transferee under this Section 6, shall submit a written application to the City containing or accompanied by such information as is required in accordance with applicable law and FCC regulations, specifically including a completed Form 394 or its successor, and in compliance with the processes established for transfers under FCC rules and regulations, including Section 617 of the Cable Act, 47 U.S.C. §537. Within thirty (30) days after receiving a request for consent, the City shall, in accordance with FCC rules and regulations, notify the Grantee in writing of the additional information, if any, it requires to determine the legal, financial and technical qualifications of the transferee or new controlling party. If the City has not taken final action on the Grantee's request for consent within one hundred twenty (120) days after receiving such request, consent shall be deemed granted. As a condition to granting of any consent, the City may require the transferee to agree in writing to assume the obligations of the Grantee under this Franchise Agreement.

6.5. Any transfer of control resulting from or after the appointment of a receiver or receivers or trustee or trustees, however denominated, designated to take over and conduct the business of the grantee, whether in a receivership, reorganization, bankruptcy or other action or proceeding, unless such receivership or trusteeship shall have been vacated prior to the expiration of a one hundred twenty (120) day period, shall be treated as a transfer of control pursuant to 47 U.S.C. §537 and require the City's consent thereto in the manner described in Section 6 above.

SECTION 7: Insurance and Indemnity

7.1. Insurance. Throughout the term of this Franchise Agreement, the Grantee shall, at its own cost and expense, maintain Commercial General Liability Insurance and provide the City certificates of insurance designating the City and its officers, boards, commissions, councils, elected officials, agents and employees as additional insureds and demonstrating that the Grantee has obtained the insurance required in this Section. Such policy or policies shall be in the minimum amount of three million dollars (\$3,000,000.00) for bodily injury or death to anyone person, and three million dollars (\$3,000,000.00) for bodily injury or death of any two or more persons resulting from one occurrence, and three million dollars (\$3,000,000.00) for property damage resulting from anyone accident. Such policy or policies shall provide for notice of cancellation in accordance with policy revisions. The Grantee shall provide workers' compensation coverage in accordance with applicable law.

7.2. Indemnification. The Grantee shall indemnify, defend and hold harmless the City, its officers, employees, , and agents (the "Indemnitees") from and against any injuries, claims, demands, judgments, damages, losses and expenses, including reasonable attorney's fees and costs of suit or defense (the "Indemnification Events"), arising in the course of the Grantee constructing, maintaining, operating, and removing its Cable System within the City. The Grantee's obligation with respect to the Indemnitees shall apply to Indemnification Events which may occur during the term of this Agreement, provided that the claim or action is initiated within the applicable statute of limitations, notwithstanding that the claim may be made or action filed subsequent to the termination or expiration of this Agreement. The City shall give the Grantee timely written notice of its obligation to indemnify and defend the City after the City's receipt of a claim or action pursuant to this Section. For purposes of this Section, the word "timely" shall mean within a time period that does not cause prejudice to the respective positions of the Grantee and/or the City. If the City elects in its own discretion to employ additional counsel, the costs for such additional counsel for the City shall be the responsibility of the City.

7.2.1. The Grantee shall not indemnify the City for any liabilities, damages, costs or expense resulting from any conduct for which the City, its officers, employees and agents may be liable under the laws of the State of Illinois.

7.2.2. Nothing herein shall be construed to limit the Grantee's duty to indemnify the City by reference to the limits of insurance coverage described in this Agreement. The indemnification obligation in this Agreement is not limited in any way by a limitation of the amount or type of damages or compensation payable by or for Grantee under workers' compensation, disability or other employee benefit acts, acceptance of insurance certificates

required by this Franchise Agreement, or the terms, applicability or limitations of any insurance held by Grantee.

SECTION 8: Public, Educational and Governmental (PEG) Access

8.1 PEG Capacity. As of the Effective Date of this Agreement, the City does not utilize a PEG channel; however, the City may request, and Grantee shall provide, a PEG channel upon one hundred eighty (180) days advance written notice by the City. The Grantee shall provide capacity for the City's noncommercial public, educational and governmental access ("PEG") programming through one Channel (the "Channel") on the Grantee's Cable System. Unless otherwise agreed to by the City and the Grantee to the extent required by applicable law, the Channel may be carried on the Grantee's basic digital service tier. The City's PEG programming shall be provided consistent with Section 611 of the Cable Act, as amended from time to time.

8.1.1 Ownership Rights. The Grantee does not relinquish its ownership of or ultimate right of control over a channel by designating it for PEG use. However, the PEG channel is, and shall be, operated by the City, and the City may at any time allocate or reallocate the usage of the PEG channel among and between different non-commercial uses and Users.

8.1.2 Origination Point. At such time that the City determines that it wants to establish capacity to allow its residents who subscribe to Grantee's Cable Service to receive PEG access programming originated from a City building, the City will give the Grantee written notice detailing the point of origination and the capability sought by the City. The City shall be responsible for the costs to acquire and install the origination point and connection to the Cable System; provided the connection shall be owned and maintained by the Grantee. The Grantee agrees to submit a cost estimate to implement the City's plan within a reasonable period of time. After an agreement to reimburse the Grantee for its expenditure, the Grantee will implement any necessary system changes within a reasonable period of time.

8.1.3 Grantee Use of Unused Time. Because the City and Grantee agree that a blank or underutilized Access Channel is not in the public interest, in the event the City does not completely program a Channel, Grantee may utilize the Channel for its own purposes. Grantee may program unused time on the Channel subject to reclamation from the City upon no less than sixty (60) days' notice. Except as otherwise provided herein, the programming of the Access Channel with text messaging or playback of previously aired programming shall not constitute unused time. Text messaging containing out of date or expired information for a period of thirty (30) days shall be considered unused time. A programming schedule that contains playback of previously aired programming that has not been updated for a period of ninety (90) days shall be considered unused time. Unused time shall be considered to be a period of time, in excess of six (6) hours, where no community produced programming of any kind can be viewed on an access Channel. Unused time shall not include periods of time where programming cannot be viewed that are caused by technical difficulties, transition of broadcast media, signal testing, replacement or repair of equipment, or installation or relocation of facilities.

8.1.4 PEG Capital Support. At its sole discretion, the City may designate PEG access capital projects to be funded by the City. The City shall send written notice of the City's desire for Grantee to collect as an external charge a PEG Capital Fee of up to thirty-five cents (\$0.35) per customer per month to be passed on to each Subscriber pursuant Section 622(g)(2)(C) of the Cable Act (47 U.S.C. §542(g)(2)(C)). The Grantee shall collect the external charge over a period of twelve (12) months, unless some other period is mutually agreed upon in writing, and shall make the PEG capital payments from such sums at the same time and in the same manner as Franchise Fee payments. The notice shall include a detailed and itemized description of the intended utilization of the PEG Capital Fee for PEG Access Channel facilities and/or equipment and the Grantee shall have the opportunity to review and make recommendations upon the City's plan prior to agreeing to collect and pay to the City the requested amount. The capital payments shall be expended for capital costs associated with PEG access. Consistent with the description of the intended utilization of the PEG Capital Fee, the City shall be permitted to hold all or a portion of the PEG Capital Fee from year to year as a designated fund to permit the City to make large capital expenditures, if necessary, as long as the City spends the entire amount collected by the end of the term of this Agreement. Moreover, if the City chooses to borrow from itself or a financial institution revenue for large PEG capital purchases or capital expenditures, the City shall be permitted to make periodic repayments using the PEG Capital Fee. Said PEG Capital Fee shall be imposed within one hundred twenty days (120) of the City's written request.

8.1.5 For any payments owed by Grantee in accordance with this Section 8.1 which are not made on or before the due dates, Grantee shall make such payments including interest at an annual rate of the prime lending rate as quoted by Chase Bank U.S.A. or its successor, whichever is higher, computed from time due until paid. Any undisputed overpayments made by the Grantee to the City shall be credited upon discovery of such overpayment until such time when the full value of such credit has been applied to the Franchise Fee liability otherwise accruing under this Section.

8.1.6 Grantee and City agree that the capital obligations set forth in this Section are not "Franchise Fees" within the meaning of 47 U.S.C. § 542.

SECTION 9: Enforcement of Franchise

9.1. Notice of Violation or Default. In the event the City believes that the Grantee has not complied with a material term of the Franchise, it shall notify the Grantee in writing with specific details regarding the exact nature of the alleged noncompliance or default.

9.2. Grantee's Right to Cure or Respond. The Grantee shall have thirty (30) days from the receipt of the City's written notice: (A) to respond to the City, contesting the assertion of noncompliance or default; or (B) to cure such default; or (C) in the event that, by nature of the default, such default cannot be cured within the thirty (30) day period, initiate reasonable steps to remedy such default and notify the City of the steps being taken and the projected date that the cure will be completed.

9.3. Enforcement. Subject to applicable federal and state law, and following notice and an opportunity to cure and respond pursuant to the provisions of Section 9.2 above, in the event the City determines that the Grantee is in default of any material provision of the Franchise, the City may:

9.3.1. seek specific performance of any provision that reasonably lends itself to such remedy or seek other relief available at law, including declaratory or injunctive relief; or

9.3.2. in the case of a substantial or frequent default of a material provision of the Franchise, declare the Franchise Agreement to be revoked in accordance with the following:

(i) The City shall give written notice to the Grantee of its intent to revoke the Franchise on the basis of a pattern of noncompliance by the Grantee. The notice shall set forth with specificity the exact nature of the noncompliance. The Grantee shall have ninety (90) days from the receipt of such notice to object in writing and to state its reasons for such objection. In the event the City has not received a response from the Grantee or upon receipt of the response does not agree with the Grantee's proposed remedy or in the event that the Grantee has not taken action to cure the default, it may then seek termination of the Franchise at a public hearing. The City shall cause to be served upon the Grantee, at least ten (10) days prior to such public hearing, a written notice specifying the time and place of such hearing and stating its intent to request termination of the Franchise.

(ii) At the designated hearing, the City shall give the Grantee an opportunity to state its position on the matter, present evidence and question witnesses, after which the City shall determine whether or not the Franchise shall be terminated. The public hearing shall be on the record. A copy of the transcript shall be made available to the Grantee at its sole expense. The decision of the City shall be in writing and shall be delivered to the Grantee in a manner authorized by Section 10.2. The Grantee may appeal such determination to any court with jurisdiction within thirty (30) days after receipt of the City's decision.

9.4. Remedies Not Exclusive. In addition to the remedies set forth in this Section 9, the Grantee acknowledges the City's ability pursuant to Section 4.8 of this Franchise Agreement to enforce the requirements and standards, and the penalties for non-compliance with such standards, consistent with the Illinois Cable and Video Customer Protection Law; and, pursuant to Section 3.1 of this Franchise Agreement, to enforce the Grantee's compliance with the City's requirements for use of the Public Ways. The City may pursue all remedies available at law or in equity to enforce the terms and conditions of this Agreement. Notwithstanding the foregoing, nothing in this Agreement shall be interpreted to permit the City to exercise such rights and remedies in a manner that permits duplicative recovery from, or payments by, the Grantee. Such remedies may be exercised from time to time and as often and in such order as may be deemed expedient by the City.

SECTION 10: Miscellaneous Provisions

10.1. Force Majeure. The Grantee shall not be held in default under, or in noncompliance with, the provisions of the Franchise, nor suffer any enforcement or penalty relating to noncompliance or default (including termination, cancellation or revocation of the

Franchise), where such noncompliance or alleged defaults occurred or were caused by strike, riot, war, earthquake, flood, tidal wave, unusually severe rain or snow storm, hurricane, tornado or other catastrophic act of nature, labor disputes, failure of utility service necessary to operate the Cable System, governmental, administrative or judicial order or regulation or other event that is reasonably beyond the Grantee's ability to anticipate or control. This provision also covers work delays caused by waiting for utility providers to service or monitor their own utility poles on which the Grantee's cable or equipment is attached, as well as unavailability of materials or qualified labor to perform the work necessary. Non-compliance or default shall be corrected within a reasonable amount of time after force majeure has ceased.

10.2. Notice. Any notification that requires a response or action from a party to this franchise within a specific time-frame, or that would trigger a timeline that would affect one or both parties' rights under this franchise, shall be in writing and shall be sufficiently given and served upon the other party by hand delivery, first class mail, registered or certified, return receipt requested, postage prepaid, or by reputable overnight courier service and addressed as follows:

Except for ordinances adopted pursuant to Sections 2.4 and 2.5 of this Agreement, all ordinances or parts of ordinances related to the provision of Cable Service that are in conflict with or otherwise impose obligations different from the provisions of this Franchise Agreement are superseded by this Franchise Agreement.

10.3.1. The City may adopt a cable television/video service provider regulatory ordinance that complies with applicable law, provided the provisions of any such ordinance adopted subsequent to the Effective Date of this Franchise Agreement shall not apply to the Grantee during the term of this Franchise Agreement.

10.4. Severability. If any section, subsection, sentence, clause, phrase, or other portion of this Franchise Agreement is, for any reason, declared invalid, in whole or in part, by any court, agency, commission, legislative body, or other authority of competent jurisdiction, such

portion shall be deemed a separate, distinct, and independent portion. Such declaration shall not affect the validity of the remaining portions hereof, which other portions shall continue in full force and effect. If any material provision of this Agreement is made or found to be unenforceable by such a binding and final decision, either party may notify the other in writing that the Franchise has been materially altered by the change and of the election to begin negotiations to amend the Franchise in a manner consistent with said proceeding or enactment; provided, however, that any such negotiated modification shall be competitively neutral, and the parties shall be given sufficient time to implement any changes necessitated by the agreed-upon modification.

10.5. Governing Law. This Franchise Agreement shall be deemed to be executed in the State of Illinois, and shall be governed in all respects, including validity, interpretation and effect, and construed in accordance with, the laws of the State of Illinois and/or Federal law, as applicable.

Except as to any matter within the jurisdiction of the federal courts or the FCC, all judicial actions relating to any interpretation, enforcement, dispute resolution or any other aspect of this Agreement shall be brought in the Circuit Court of the State of Illinois, Tazewell County, Illinois. Any matter brought pursuant to the jurisdiction of the federal court shall be brought in the United States District Court of the Central District of Illinois.

10.7. Modification. Except as provided in Sections 5.1.1 and 5.1.2, no provision of this Franchise Agreement shall be amended or otherwise modified, in whole or in part, except by an instrument, in writing, duly executed by the City and the Grantee, which amendment shall be authorized on behalf of the City through the adoption of an appropriate ordinance or resolution by the City, as required by applicable law.

10.8. No Third-Party Beneficiaries. Nothing in this Franchise Agreement is intended to confer third-party beneficiary status on any person, individual, corporation or member of the public to enforce the terms of this Franchise Agreement.

10.9. No Waiver of Rights. Nothing in this Franchise Agreement shall be construed as a waiver of any rights, substantive or procedural, Grantee may have under Federal or state law unless such waiver is expressly stated herein.

10.10. Validity of Franchise Agreement. The parties acknowledge and agree in good faith on the validity of the provisions, terms and conditions of this Franchise Agreement, in their entirety, and that the Parties have the power and authority to enter into the provisions, terms, and conditions of this Agreement.

10.11. Authority to Sign Agreement. Grantee warrants to the City that it is authorized to execute, deliver and perform this Franchise Agreement. The individual signing this Franchise Agreement on behalf of the Grantee warrants to the City that s/he is authorized to execute this Franchise Agreement in the name of the Grantee.
