

**CITY OF WASHINGTON, ILLINOIS**  
**City Council Agenda Communication**

**Meeting Date:** June 7, 2021

**Prepared By:** Dennis Carr - City Engineer

**Agenda Item:** Bid Award – Crack Sealing

**Explanation:** City Staff budgeted to do some crack sealing this year along a few different roadways. Instead of calling out specific roadways, we are trying a new method similar to the commodities bids Public Works did earlier this year.

Advertisement was run in the paper and on our website for two weeks. Bid packets were sent to the three contractors who bid the spray patch as well. We only received 1 bid from Ace in the Hole. They did the crack sealing the last couple years so staff is comfortable with the bid.

Ace in the Hole bid \$2.65 per pound for crack sealing HMA Pavement and \$3.02 per pound for Crack Sealing Concrete Pavements.

**Fiscal Impact:** We budgeted to spend \$80,000 from Acct 100-003-800-4000.

**Recommendation/**

**Committee Discussion Summary:** Staff recommends project award to Ace in the Hole.

**Action Requested:** Approval of award.

## PROPOSAL

The undersigned proposes, in accordance with the terms and conditions of the Contract Documents, of which this Proposal is a part, to furnish and install Crack Sealant to the City of Washington, Illinois, as described below, for the period beginning on May 1, 2021, and ending April 30, 2022, at the unit prices set forth below:
