City Council Agenda Communication

Meeting Date: August 16, 2021

Prepared By: Jon R. Oliphant, AICP, Planning & Development Director

Agenda Item: First Reading Ordinance – Request by Walter and Brenda Goodin to Annex 1103 N. Main St.

Explanation: Staff was first contacted in the fall of 2019 by a citizen on N. Main Street about potentially connecting to the City's water system as a result of a deteriorating community well. There are 12 lots on N. Main and five on E. Cruger that are presumably on the shared well. The City has a 12" water main along N. Main, so connection to those lots with direct frontage would be relatively uncomplicated. There would be a higher cost to extend the main to pick up the lots on E. Cruger.

Those citizens have previously been informed that connection to any City services would require annexation. The properties on N. Main between Devonshire and Cruger would be required to pay the water subdivision development fee (which is currently \$927.50 through 2021) as well as the applicable utility connection fees (\$415 for water and \$4,315 for sewer, if desired).

Walter and Brenda Goodin recently submitted a petition to voluntarily request annexation of their property at 1103 N. Main Street. The annexation plat and a map showing the property to be annexed is included for your review. The default zoning for parcels brought into the city limits is R-1A. This zoning is appropriate for the current land use and a rezoning is not necessary.

Fiscal Impact: The City would receive the proportional property tax upon annexation. Based on the current assessed value and tax rate, this would roughly amount to \$137. Revenue from the anticipated connection to the City's water system would also result following the annexation.

Recommendation/

Committee Discussion Summary: Staff recommends approval of the annexation request.

Action Requested: Approval of the attached ordinance. A first reading ordinance is scheduled for August 16 and a second reading ordinance will be scheduled for September 7.
