

**CITY OF WASHINGTON, ILLINOIS**  
**Public Works Committee Agenda Communication**

**Meeting Date:** October 11, 2021

**Prepared By:** Dennis Carr, PE, City Engineer  
Jon Oliphant, AICP, Planning & Development Director

**Agenda Item:** Phase 2B Alternate Analysis Initial Cost

**Explanation:** Hamilton Consulting Engineers, Inc has sent over their initial cost estimate for the analysis process that was laid out to council at the last Council Meeting. The initial analysis cost is penciled in at \$160,000.

**Fiscal Impact:** This was not budgeted and a source of funding still needs to be identified.

**Action Requested:** Discussion on the proposal and direction forward from council.
