

CITY OF WASHINGTON, ILLINOIS

City Council Agenda Communication

Meeting Date: February 7, 2022

Prepared By: Dennis Carr – City Engineer

Agenda Item: IDOT Resolution for Maintenance

Explanation: IDOT requires municipalities to pass a resolution approving the use of Motor Fuel Tax funds. This resolution appropriates a sum of \$1,000,000 to be used for a general maintenance project. This would be the first step towards getting a general maintenance project on IDOT's radar for this coming fiscal year. If this resolution passes, the appropriate forms will be completed and sent to IDOT for review. This will allow us to get this on IDOT's calendar for a April letting and award.

The City currently has around \$1.5 million in its MFT reserves. We will also receive around \$600,000 in MFT payments this year. A one-million-dollar project will use up some of that funds but will still leave the city with over a million in MFT surplus that can be used at a later date.

The 2021 project came in just over 900,000 so a similar sized project can be expected. The project areas we are looking to move forward with are the streets east of Lawndale, the presidential street area, and the area just north of Bus 24 east of Wilmor.

Fiscal Impact: Staff looks to budget for a \$1,000,000 maintenance project.

Recommendation Summary: Staff recommends approval of the MFT Funding resolution.

Action Requested: Resolution Approval
