

## CITY OF WASHINGTON, ILLINOIS City Council Agenda Communication

**Meeting Date:** May 16<sup>th</sup>, 2022

**Prepared By:** Brian Rittenhouse – Public Works Director

**Agenda Item:** Plow Truck Body Build Authorization

**Explanation:** The City will need to contract out the body build for the new plow truck which includes the truck bed, front and side plows, salt spreader and components. Staff reached out to two companies, Koenig in Peoria and Monroe in Wisconsin. Staff's recommendation was to contract Koenig to complete the build because they are local, they will hold their prices, and the quality of work. Staff also recommended using Stainless steel over painted steel to save money on repainting and getting a higher trade in value.

### Body Build Quote

12'	Body Build	
	Stainless	Painted
Koenig	121,826	119,797
Monroe	111,654	102,465
	10,172	17,332

**Fiscal Impact:** \$121,826.00 for the Plow Truck Body Build.

### Recommendation/

**Committee Discussion Summary:** Feedback from the Committee of the Whole was in support of Staff's recommendation to contract Koenig to complete the Plow Truck Body Build.

**Action Requested:** Authorization to make payment in the amount of \$121,826.00 to Koenig Body and Equipment for this purchase as a consent agenda item
