

CITY OF WASHINGTON, ILLINOIS

City Council Agenda Communication

Meeting Date: June 6, 2022

Prepared By: Joanie Baxter, Finance Director

Agenda Item: Health Insurance Renewal – Intergovernmental Personnel Benefit Cooperative (IPBC)

Explanation: As you may recall, the City opted in 2017 to join the Intergovernmental Personnel Benefit Cooperative (IPBC) for both health and life insurance. This was done in an attempt to contain costs and have access to more resources for health and wellness related initiatives.

A preliminary renewal was determined to be a 1% decrease and thus the FY22-23 budget used a 1% increase after considering potential changes in family status of employees. We were recently notified that the final renewal came in at a 2.1% decrease and with a plan year change to calendar year – these rates will be in effect until December 31, 2023. Staff has been very pleased with the IPBC program and the savings that we have realized since joining it.

Since changing to IPBC, the City has realized the following decreased/increased premiums:

• PY17-18	-2.4%
• PY18-19	-2.7%
• PY19-20	-8.0%
• PY20-21	+5.7%
• PY21-22	+0.2%
• PY22-23	<u>-2.1%</u>
	-9.3%

As such, the premiums that will be paid for plan year 22-23 are 9.3% lower than what we were paying in FY16-17. It is recommended that the employee contribution remain unchanged.

Fiscal Impact: The budget for FY22-23 reflects a 1.0% increase across funds.

Recommendation/Committee Discussion Summary: Staff recommends renewal of the health insurance plan with IPBC for PY22-23.

Action Requested: Approval as part of the Consent Agenda.
