

CITY OF WASHINGTON, ILLINOIS
City Council Agenda Communication

Meeting Date: March 20, 2023

Prepared By: Dennis Carr, P.E. – City Engineer

Agenda Item: Bid Award – Felkers Ditch Grading

Explanation: Staff solicited bids for the regrading and shaping of the ditches in the Felkers Subdivision.

A bid opening took place on March 15, 2023 at 3 PM at City Hall with two bids submitted.

			Stark		Krumholtz	
FELKERS DITCH GRADING			CONTRACTOR 1		CONTRACTOR 2	
PAY ITEM	UNIT	QUANTITY	UNIT PRICE	TOTAL	UNIT PRICE	TOTAL
DITCH SHAPING	LF	5203	\$17.70	\$92,093.10	\$20.75	\$107,962.25
CULVERT CLEANING	LF	1981	\$32.40	\$64,184.40	\$9.50	\$18,819.50
Totals			\$156,277.50		\$126,781.75	

Fiscal Impact: The FY 22-23 budget included \$100,000 for this project. Due to how close we are to the end of the fiscal year, this project was split between the current fiscal year and FY 23/24.

Recommendation Summary: Staff recommends performing the culvert cleaning in-house and approving the low bidder for the ditch grading only. This would award the project to Stark and bring the project in under the budgeted amount.

Action Requested: Approval to award the reshaping contract to Stark Excavating to perform the ditch shaping only for a not to exceed amount of \$100,000.
