

CITY OF WASHINGTON, ILLINOIS

City Council Agenda Communication

Meeting Date: Monday August 7th, 2023

Prepared By: Brian Rittenhouse – Public Works Director

Agenda Item: WWTP Generator Installation Bid Award

Explanation: Council approved the purchase of a new standby generator in the amount of \$193,400 for the Wastewater Treatment Plant in November of 2021. The standby generator is needed in order to continue treatment of wastewater during power outages. Staff went out for bid on the installation, which includes a generator pad, installation of new electrical wiring, and SCADA integration. Below are the results.

Impirium Group	\$158,725.00
RNS Electric	\$214,975.00

Fiscal Impact: Fiscal Impact would be \$352,125.00 for the generator and generator installation. There is sufficient budget authority within the Capital Equipment Replacement Fund and Sewer Fund to cover this.

Staff's Recommendation: With the generator ready to be shipped, Staff would recommend approving the bid award to Impirium Group in the amount of \$158,725.00 to move forward with the generator installation.

Action Requested: Approve bid award in the amount of \$158,725.00 to Impirium Group for the generator installation.
