

CITY OF WASHINGTON, ILLINOIS

City Council Agenda Communication

Meeting Date: September 5, 2023

Prepared By: Jon R. Oliphant, AICP, Planning & Development Director

Agenda Item: First Reading Ordinance – Request by James and Debra Rodriguez to Annex 1020 Dallas Road

Explanation: The City constructed a six-inch water main several years ago on Dallas Road after receiving interest from some of those citizens to connect to City water. Annexation is required to connect to the City's utilities. To date, four properties on Dallas have annexed.

James and Debra Rodriguez recently submitted a petition to voluntarily request annexation of their property at 1020 Dallas in order to connect to City water. The annexation plat and a map showing the property to be annexed is included for your review. The default zoning for parcels brought into the city limits is R-1A. This zoning is appropriate for the current land use and a rezoning is not necessary. Upon approval and connection, Mr. and Mrs. Rodriguez will be billed at the resident water rate.

Fiscal Impact: The City would receive the proportional property tax upon annexation. Based on the current assessed value and tax rate, this would roughly amount to \$313. Revenue from the anticipated connection to the City's water system would also result following the annexation. The property would be required to pay the water subdivision development fee (which is currently \$1,067.50 through 2023) as well as the water connection fee of \$415.

Recommendation/

Committee Discussion Summary: Staff recommends approval of the annexation request.

Action Requested: Approval of the attached ordinance. A first reading ordinance is scheduled for September 5 and a second reading ordinance will be scheduled for September 18.
