City Council Agenda Communication

Meeting Date: December 4, 2023

Prepared By: Joanie Baxter, CPA – Finance Director *JB*

Agenda Item: Tax Levy Abatement Ordinance

Explanation: The Stormwater Management bonds that were approved in August and issued in October include a Bond Order which sets forth the amount of the annual tax levy required. The tax levy requirement for 2023 is \$476,750. This amount must either be raised by the tax levy or if there is an alternative funding source, the tax levy must be abated. An additional .5% Home Rule Sales tax was enacted in July 2022 to provide funding for stormwater projects and thus will be used in lieu of property taxes to pay the debt service on the bond.

Fiscal Impact: The first debt service payments will be payable in fiscal year 2024-25 and will be budgeted as such.

Recommendation: Staff recommends approval of the Ordinance which will be forwarded to the County Clerk to indicate that the levy for the debt service should NOT be extended.

Action Requested: Approval of the Ordinance at 2nd Reading on December 18, 2023.
