

## CITY OF WASHINGTON, ILLINOIS

### City Council Agenda Communication

**Meeting Date:** February 19, 2024

**Prepared By:** Dennis Carr – City Engineer

**Agenda Item:** IDOT Resolution for Maintenance

**Explanation:** IDOT requires municipalities to pass a resolution approving the use of Motor Fuel Tax funds. This resolution appropriates a sum of \$1,000,000 to be used for a general maintenance project. This would be the first step towards getting a general maintenance project on IDOT's radar for this coming fiscal year. If this resolution passes, the appropriate forms will be completed and sent to IDOT for review. This will allow us to get this on IDOT's calendar for a spring letting and award.

The City currently has around \$1.0 million in its MFT reserves. We will also receive around \$650,000 in MFT payments this year. A one-million-dollar project will use up some of the surplus funds, but will still leave the city with over half a million in MFT surplus that can be used at a later date.

The 2023 Project came in around \$1,000,00 while the 2022 project came in just over \$750,000, so a similar sized project can be expected.

We are working with others in the chip seal and fog coating industry to identify potential price changes to determine whether all roads can be done or if a couple need removed to keep under the \$1,000,000 set forth in this resolution. Inflation has changed prices of materials and events across the globe have increased the oil/diesel price.

The areas currently being targeted in 2024 are the roads around North Street as well as the roads north of the bypass. The roads in these two areas are showing some fairly significant distress in the forms of alligator cracking and edge deterioration. Due to the extent of alligator cracking, staff is recommending using Hot In-Place recycling on these roads before the chip seal and fog coating.

The roads currently being looked at for the HIR are West, Ridge, Terrace, Victoria, Central, Jaders, Willow, Santa Fe, Courtney, Oak Ridge, and Pin Oak.

**Fiscal Impact:** Staff looks to budget for a \$1,000,000 maintenance project.

**Recommendation Summary:**

Staff recommends approval of the Maintenance resolution.

**Action Requested:** Resolution Approval

Resolution for Maintenance  
Under the Illinois Highway Code

Resolution Number	Resolution Type	Section Number
	Original	24-00000-00-GM

BE IT RESOLVED, by the Council of the City of

## Instructions for BLR 14220

This form shall be used when a Local Public Agency (LPA) wants to perform maintenance operations using Motor Fuel Tax (MFT) funds. Refer to Chapter 14 of the Bureau of Local Roads and Streets Manual (BLRS Manual) for more detailed information. This form is to be used by a Municipality or a County. Road Districts will use BLR 14221. For signature requirements refer to Chapter 2, Section 3.05(b) of the BLRS Manual.

When filling out this form electronically, once a field is initially completed, fields requiring the same information will be auto-populated.

Resolution Number	Insert the resolution number as assigned by the LPA, if applicable.
Resolution Type	From the drop down box, choose the type of resolution: -Original would be used when passing a resolution for the first time for this project. -Supplemental would be used when passing a resolution increasing appropriation above previously passed resolutions. -Amended would be used when a previously passed resolution is being amended.
Section Number	Insert the section number of the improvement covered by the resolution.
Governing Body Type	From the drop down box choose the type of administrative body. Choose Board for County; Council or President and Board of Trustees for a City, Village or Town.
LPA Type	From the drop down box choose the LPA body type; County, City, Town or Village.
Name of LPA	Insert the name of the LPA.
Resolution Amount	Insert the dollar value of the resolution for maintenance to be paid for with MFT funds in words, followed by the same amount in numerical format in the ().
Beginning Date	Insert the beginning date of the maintenance period. Maintenance periods must be a 12 or 24 month consecutive period.
Ending Date	Insert the ending date of the maintenance period.
LPA Type	From the drop down box choose the LPA body type; County, City, Town or Village.
Name of LPA	Insert the name of the LPA.
Name of Clerk	Insert the name of the LPA Clerk.
LPA Type	From the drop down box choose the LPA body type; County, City, Town or Village.
LPA Type	From the drop down box choose the LPA body type; County, City, Town or Village.
Name of LPA	Insert the name of the LPA.
Governing Body Type	From the drop down box choose the type of administrative body. Choose Board for County; Council or President and Board of Trustees for a City, Village or Town.
Name of LPA	Insert the name of the LPA.
Date	Insert the date of the meeting.
Day	Insert the day the Clerk signed the document.
Month, Year	Insert the month and year of the clerk's signature.
Clerk Signature	Clerk shall sign here.
Approved	The Department of Transportation representative shall sign and date here upon approval.

**Three (3) certified signed originals must be submitted to the Regional Engineer's District office.  
Following IDOT's approval, distribution will be as follows:**

Local Public Agency Clerk  
Engineer (Municipal, Consultant or County)  
District
