

CITY OF WASHINGTON, ILLINOIS

City Council Agenda Communication

Meeting Date: Tuesday, September 3, 2024

Prepared By: Brian Rittenhouse – Public Works Director

Agenda Item: Engineering Agreement – Construction Observation and Inspections

Explanation: It is critical that the City have construction oversight during the water tower painting. Dixon Engineering are experts when it comes to water towers and they have provided their services in the past, during the repainting of Water Tower #1. It is important to make sure the project is completed to specifications to get the maximum protection and life expectancy.

Fiscal Impact: \$38,350.00 for construction observation and inspections. \$325,000 is in this fiscal year's Water Fund for water tower painting and engineering

Recommendation: Staff recommends having Dixon Engineering onsite to facilitate this project and ensure it is completed to specifications.

Action Requested: Approve Engineering Agreement with Dixon Engineering in the amount of \$38,350.00, for water tower painting construction observations and inspections.
