

CITY OF WASHINGTON, ILLINOIS

City Council Agenda Communication

Meeting Date: October 21, 2024

Prepared By: Jon Oliphant, AICP, Planning & Development Director

Agenda Item: Resolution – 223 Property Farm Lease for the 2025 Crop Year

Explanation: The City's current cash rent farm lease on the 223 property with Aaron Vercler expires on December 31, 2024. The Council approved an agreement with Mr. Vercler that includes two mutual 1-year options for 2025 and 2026. The City has had a farm lease agreement with Mr. Vercler since 2018.

The attached farm lease agreement would establish a new lease through December 31, 2025. It would require an annual lease payment in an amount of \$73,508 with 25% percent of that paid on or before June 1 and the remainder on or before December 1. The base lease is slightly more than for 2024, as the total tillable acreage is marginally higher with the Nofsinger Road realignment project nearly complete. This amount is based on having 195.5 tillable acres at a rate of \$376 per acre. The agreement also includes a profit-sharing bonus for corn and soybean yields that is payable no later than December 31. A mutual 1-year option would remain in place for 2026.

The agreement would continue to grant the City the right to terminate the lease with 10-days' written notice to the tenant. Work on the Nofsinger Road realignment began in October 2023 and Mr. Vercler was notified of that shortly before its commencement to allow a small window to complete harvesting within the construction area. The tenant is not to plant any crops prior to April 15.

Fiscal Impact: Besides the base \$376 per acre rent, the 2025 profit-sharing formula for the corn production is derived as follows:

Corn: Total number of bushels produced per acre. Multiplied by the price per bushel as determined by the USDA each fall. This number will equal the gross income per acre. The bonus rent is the gross income per acre less \$1,200, multiplied by 50%; and added to the base rent. Mr. Vercler asked for a tweak in the profit-sharing formula that would cap the bonus increase or decrease by \$36 per acre. That could allow for a total rent payment of as little as \$340 per acre or as much as \$412 per acre depending on market conditions. Mr. Vercler has asked for this given increasing commodity pricing pressures worldwide.

Action Requested: Approval of the resolution with Aaron Vercler with a base \$376 per acre rent and the profit-sharing collar noted above. A resolution to exercise a 2025 223 property farm lease is scheduled for approval at the October 21 City Council meeting.

RESOLUTION NO. _____

(Synopsis: This resolution approves and authorizes a Cash Rent Farm Lease with Aaron Vercler.)

**RESOLUTION AUTHORIZING THE EXECUTION OF A CASH RENT FARM LEASE
WITH AARON VERCLER**

WHEREAS, the City of Washington is a home-rule municipality in accordance with the Constitution of the State of Illinois of 1970; and

WHEREAS, the City of Washington has the authority, in accordance with its police powers, to adopt ordinances and resolutions to protect the health, safety, and welfare of its citizens.

NOW, THEREFORE, BE IT RESOLVED BY THE CITY COUNCIL OF THE CITY OF WASHINGTON, TAZEWELL COUNTY, ILLINOIS, as follows:

Section 1. The facts and statements contained in the preamble to this resolution are found to be true and correct and are hereby adopted as part of this resolution.

Section 2. That the Mayor and City Clerk of the City of Washington are authorized to enter into the Cash Rent Farm Lease with Aaron Vercler, in substantially the form to the documents attached hereto, marked as “Exhibit A,” and by reference expressly made a part hereof.

Section 3. If any part or parts of this resolution shall be held to be unconstitutional or otherwise invalid, such unconstitutionality or invalidity shall not affect the validity of the remaining provisions of this resolution.

Section 4. That this resolution shall be in full force and effect from and after its passage and approval by a two-thirds (2/3) vote of the corporate authorities as provided by law.

EXHIBIT A
Cash Rent Farm Lease

This Lease is entered into on _____, 2024, between the City of Washington, an Illinois home-rule municipal corporation, whose mailing address is 301 Walnut Street, Washington, Illinois 61571 (“**Landlord**”) and Aaron Vercler (“**Tenant**”), whose mailing address is 1985 Eureka Road, Washington, Illinois 61571.

BACKGROUND

A. Landlord owns the real property legally described in Exhibit A-1, together with all buildings and improvements thereon belonging to the Landlord (“**Property**”).

B. Tenant desires to lease the Leased Premises (as defined below) owned by Landlord and Landlord and Tenant desire to enter into a written lease to set forth the terms and conditions of the lease.

AGREEMENT

NOW, THEREFORE, in consideration of the mutual promises, covenants and conditions herein contained and other good and valuable consideration, the receipt and sufficiency of which are hereby acknowledged, the parties hereto agree as follows:

Article 1.

Description of Rented Land, Length of Tenure and Option(s)

A. **Description of Land.** The Landlord rents and leases to the Tenant, for the Tenant to occupy and to use for agricultural purposes only, the Property with the exception of the Realignment Area (as defined below) and an area approximately 30' (E-W) x 40' (N-S) located in the northeast corner of Field #2 and labeled “Official Sign Location” as shown in Exhibit B-1 (the “**Leased Premises**”). Tenant shall have no right to occupy or use that portion of the Property that is timberland except as is necessary for ingress and egress. Furthermore, Landlord and Tenant both acknowledge that on October 31, 2023, the Landlord broke ground on the Nofsinger Road Realignment Project (the “**Project**”), which upon completion would result in Nofsinger Road being realigned at its intersection with U.S. Highway 24. Due to the commencement of the Project, the Property is now dissected as identified in Exhibit C-1 attached hereto (the “**Realignment Area**”). As a result of the Project, Tenant shall have no right to occupy or use the Realignment Area. Tenant shall not interfere with or impede the Project or Realignment Area when utilizing the Leased Premises for agricultural purposes. Upon completion of the Project and the opening of the Realignment Area to the general public, Tenant shall then be able to utilize the Realignment Area in the same manner as the general public will use the Realignment Area, as well as for ingress and egress to the Leased Premises.

B. **Length of Tenure.** The term of this Lease shall be one year, commencing on January 1, 2025, to December 31, 2025, unless sooner terminated as provided herein (the “**Term**”).

C. **Option(s).** The Landlord shall consider 1-year options, commencing on January 1, 2026, with terms to be mutually agreed upon by the Landlord and Tenant.

Article 2.

Rent and Commodity Price Adjustment

Tenant will pay Landlord as base rent for the Leased Premises in a lease year an amount equal to Seventy-Three Thousand Five Hundred Eight Dollars (\$73,508), based on the Leased Premises containing approximately 195.5 tillable acres (“**Rent**”). Twenty-five percent of the Rent shall be paid on or before June 1, 2025. The remainder of the Rent shall be paid on or before December 1, 2025.

The Rent shall be subject to a Commodity Price Adjustment calculated as follows:

For corn: The Commodity Price Adjustment is equal to the W223 Gross Corn Income less \$1,200.00 per acre multiplied by 50%. For purposes of the preceding sentence, the “W223 Gross Corn Income” is equal to the total number of bushels of corn produced on the Property *multiplied* by the price per bushel as determined by the USDA each fall.

For soybeans: The Commodity Price Adjustment is equal to the W223 Gross Soybean Income less \$900.00 per acre multiplied by 50%. For purposes of the preceding sentence, the “W223 Gross Soybean Income” is equal to the total number of bushels of soybeans produced on the Property *multiplied* by the price per bushel as determined by the USDA each fall.

The total maximum Commodity Price Adjustment shall be equal to Seven Thousand Thirty-Eight Dollars (\$7,038) which is the equivalent of a maximum adjustment of Thirty-Six Dollars (\$36) per acre.

Rent and Commodity Price Adjustment payments shall be made payable and delivered to the City of Washington, c/o Washington City Clerk, 301 Walnut Street, Washington, Illinois 61571.

Article 3.

Tenant's Duties in Operating Farm

A. Tenant covenants and agrees as follows:

- i. To cultivate the Leased Premises faithfully and in a timely, thorough, and businesslike manner.
- ii. To prevent all unnecessary waste, loss, or damage to the Leased Premises or any other property of the Landlord.
- iii. To use the Leased Premises only for agricultural purposes.

- ~~iv.~~ Not to erect or permit to be erected any structure or building or to incur any expense to Landlord for such purpose, without the prior written consent of Landlord.
- v. Not to permit, encourage, or invite other persons to use any part or all of the Leased Premises for any purpose or activity not directly related to its use for agricultural production.
- vi. Not to allow any livestock on the Leased Premises.
- vii. Not to cut live trees for any reason without the express written consent of the Landlord.
- viii. To comply with all federal, state and local statutes, regulations, ordinances, rules and policies, all court and administrative orders and decrees, all arbitration awards, and the common law, which pertain to environmental or natural resource matters or contamination of any type whatsoever ("**Environmental Laws**").
- ix. Not to permit the erection of any commercial advertising signs.
- x. Not to assign this Lease to any person or persons or sublet any part of the Leased Premises.
- xi. To prevent noxious weeds from going to seed on the Leased Premises and to destroy the same and keep the weeds and grass cut.
- xii. To keep open ditches, tile drains, tile outlets, grass waterways, and terraces in good repair. In the event of a major tile break, Tenant shall notify the City Engineer of the break before any repairs are undertaken.
- xiii. To preserve established watercourses or ditches and to refrain from an operation that will injure them.
- xiv. To keep the fences (including hedges), and other improvements on the Leased Premises in as good repair and condition as they are when Tenant takes possession or in as good repair and condition as they may be put by the Landlord during the Lease Term or any Option term- ordinary wear, loss by fire or unavoidable destruction excepted.
- xv. To comply with rules and regulations of the Illinois Pollution Control Board, United States Department of Agriculture and the Natural Resources Conservation Service. Tenant shall not be responsible for action of Landlord that may be contrary to said rules and regulations.

- xvi. To plant crops in accordance with generally accepted farming and soil conservation practices and provide Landlord with written reports of the crops planted, fertilizers, herbicides and other products applied to the Leased Premises.

Article 4. Real Estate Taxes

Landlord shall pay the general real estate taxes and special assessments levied against the Property during the term of this Lease.

Article 5. Inspection

Landlord shall have the right to enter the Leased Premises at any time to inspect the Leased Premises, and to perform any acts related to the safety, protection, preservation, reletting or improvement of the Leased Premises.

Article 6. Early Termination of Lease Term

Landlord reserves the right, with ten (10) days written notice to Tenant, to demand and take possession of all or any portion of the Leased Premises at any time for any purpose and terminate the Lease for such property (the “**Terminated Property**”). In such event, Landlord shall pay to Tenant the reasonable value for work performed on the Terminated Property prior to the termination date, including but not limited to input costs applied to the Leased Premises and machinery and labor costs for applying the inputs to the Terminated Property. Landlord shall not pay for the value of the crops planted on the Terminated Property unless Landlord harvests crops on the Terminated Property. If Landlord harvests crops on the Terminated Property, Tenant shall receive the market value of the crops harvested instead of the reasonable value for work performed on the Terminated Property. Notwithstanding the above, Landlord shall not reimburse Tenant for the cost of any inputs (seed, fertilizers, herbicides, etc.) that were purchased by Tenant but were not applied to the Terminated Property. Tenant agrees that it will not plant any crop on the Leased Premises prior to April 15 in a lease year and will not apply any inputs on the Terminated Property once it has received written notice under this Article. The amount payable by reason of Landlord's termination of the Lease affecting only a portion of the Leased Premises shall be deducted from the second rental payment. Reasonable value shall be determined by a Tazewell County farm agent or extension advisor of the University of Illinois if the parties are unable to select a farm agent. Tenant shall only be entitled to compensation under this Article 6 if Tenant is not in default under the terms of the Lease at the time Landlord sends Tenant the notice of lease termination.

Article 7. Public Liability Insurance

Tenant shall, at his own expense, at all times during the term of this Lease, maintain in effect a comprehensive public liability insurance policy with a carrier acceptable and approved by

Landlord, which will name Landlord as an additional insured, insuring against claims, demands and actions with respect to bodily injury, death or property damage arising from Tenant's use of the Leased Premises, with the following minimum limits of coverage:

Crop Insurance: \$376.00 per acre Liability
Insurance: \$2,000,000 per occurrence
Property Damage: \$2,000,000 per occurrence

Tenant shall deliver to Landlord appropriate insurance certificates evidencing such coverages, such certificates providing for not less than 30 days' notice to Landlord of cancellation or termination.

Article 8. Default

A. The occurrence of any one or more of the following events shall constitute an Event of Default under this Lease:

- i. The failure by Tenant to pay any installment of rent or any money due under this Lease and such failure is not cured within five (5) days after delivery of written notice from Landlord specifying such failure to pay.
- ii. The failure by Tenant to perform any other covenant or agreement to be performed by Tenant under this Lease except those requiring the payment of rent or any money due under this Lease and Tenant shall have failed to cure such breach within thirty (30) days after written notice from Landlord specifying the nature of such breach; provided, however, if Tenant's default cannot be reasonably cured within such thirty (30) day period, then Tenant shall not be in default if it commences to cure the default within such thirty (30) day period and thereafter diligently prosecutes such cure to completion.
- iii. A receiver or similar officer becomes entitled to the leasehold interest of Tenant under this Lease.
- iv. Abandonment of the Leased Premises by Tenant.
- v. Levy, seizure, attachment, or sale of the leasehold interest of Tenant under this Lease.
- vi. Tenant becomes insolvent or unable to pay debts as they mature, or admits in writing to such effect; makes an assignment for the benefit of creditors; a proceeding is instituted by or against Tenant alleging that Tenant is insolvent or unable to pay debts as they mature; or a petition under any bankruptcy or insolvency law is brought by or against Tenant.

B. Tenant shall promptly notify Landlord in writing upon the happening or occurrence or existence of any Event of Default, or any event or condition which with the passage of time or giving of notice, or both, would constitute an Event of Default.

C. Upon the occurrence of any of the Events of Default, Landlord may, at its option, without notice to or demand upon Tenant, exercise any one or more of the following remedies:

- i. Landlord may reenter the Leased Premises immediately with or without process of law and with the use of such force as may be necessary, and remove all persons and all property therefrom. Landlord shall not be liable or responsible for any damages resulting therefrom.
- ii. Landlord may terminate this Lease by ten (10) days written notice to Tenant. Reentry only, without notice of termination, will not terminate this Lease. Upon termination of this Lease, Landlord may recover from Tenant all damages proximately resulting from the termination, including the cost of recovering the Leased Premises. All such amounts shall be immediately due and payable from Tenant.
- iii. If Landlord terminates the Lease under this Article by reason of Tenant's default, Tenant shall not be entitled to any amounts set forth in Article 6.
- iv. After reentering, Landlord may relet the Leased Premises or any part thereof, for any term, without terminating this Lease at such rent and on such terms as Landlord may choose.
- v. Landlord may pursue any other remedy or combination of remedies legally available to Landlord, including the recovery of damages caused by Tenant's failure to perform or observe any covenant or condition of this Lease.

Article 9.

Possession, Landlord's Lien, Mineral Rights, Liability and Indemnification

A. **Yielding Possession.** Tenant agrees at the expiration or termination of this Lease to yield possession of the Leased Premises to Landlord without further demand or notice, in as good order and condition as when they were entered upon by Tenant, loss by fire, flood, or tornado, and ordinary wear excepted.

B. **Mineral Rights.** Nothing in this Lease shall confer upon Tenant any right to minerals underlying the Leased Premises. Such mineral rights are hereby reserved by Landlord together with the full right to enter upon the Leased Premises and to bore, search, excavate, work and remove the minerals, to deposit excavated rubbish, to pass over the Leased Premises with vehicles, and to lay down and work any railroad track or tracks, tanks, pipelines, power lines, and structures as may be necessary or convenient for the above purpose. Landlord agrees to reimburse

the Tenant for any actual damage Tenant may suffer for crops destroyed by these activities and to release Tenant from obligation to continue farming the Leased Premises when development of mineral resources interferes materially with Tenant's farming operations.

C. **Tenant Liability.** Tenant takes possession of the Leased Premises subject to the hazards of operating a farm, and assumes all risk of accidents personally as well as for family, employees, or agents in the pursuance of farming operations.

D. **Landlord's Lien.** The Landlord's lien provided by statute on crops grown or growing, together with any other security agreement(s) created by Tenant in favor of Landlord, shall be the security for the rent herein specified and for the faithful performance of the terms of the Lease. The Tenant shall provide the Landlord with the names of persons to whom the Tenant intends to sell crops grown on the Leased Premises at least 30 days prior to the sale of such crops. A lesser period may be allowed by mutual written agreement. Tenant consents to any filing required by law to perfect the statutory landlord's lien upon crops. If the Tenant fails to pay the rent due or fails to keep any of the agreements of this Lease, all costs and attorney fees of the Landlord in enforcing collection or performance shall be added to and become a part of the obligations payable by the Tenant.

E. **Indemnification.** Except to the extent of the negligence or willful misconduct of Landlord, or its agents, employees or contractors, Tenant shall hold harmless, indemnify and defend Landlord and its members, agents and employees from all damages, liabilities, penalties, actions, attorney's fees, costs and expenses resulting from or arising out of any of the following: (a) Tenant's occupancy or use of the Leased Premises; (b) any accident or other occurrence in the Leased Premises arising in connection with Tenant's use of the Leased Premises; or (c) any violation resulting from an act or omission by Tenant or Tenant's members, stockholders, partners, officers, agents, employees, or invitees, of any law or ordinance in any way related to the Leased Premises, including but not limited to Environmental Laws.

Article 10. General Provisions

A. Titles to Articles and sectional headings herein are for information purposes only.

B. The provisions of this Lease shall be binding upon and inure to the benefit of the parties hereto, their heirs, executors, administrators, successors and assigns.

C. This Lease shall be construed, enforced and governed in all respects in accordance with the laws and the statutes of the State of Illinois.

D. The invalidity of any particular term or provisions of the Lease shall not affect the validity of the remaining terms and provisions hereof.

E. No alterations to or modification of the terms or the provisions of this Lease shall be effective unless such alteration or such modification is reduced to writing, and is then properly executed by the parties hereto.

F. This Lease supersedes any prior contract or arrangement between the parties hereto, and represents the complete agreement of the parties hereto.

G. All notices provided by this Lease shall be given in writing (i) either by actual delivery of the notice to the party thereunder entitled, or (ii) by mailing of the notice in the United States mail, first- class postage prepaid, to the address of the party entitled thereto, registered or certified mail, return receipt requested. The notice shall be deemed to be received (i) on the date of its actual receipt by the party entitled thereto and (ii) on the date of its mailing. All notices, demands or other communications to any of the parties to this Lease shall be addressed as described above. The address of any party hereto may be changed by notice to the other party duly served in accordance with the provisions hereof.

H. Any waiver by a party hereto of a breach of any term or condition of this Lease shall not be considered as a waiver of any subsequent breach of the same or any other term or condition hereof.

I. Nothing contained in this Lease shall be deemed or construed as creating a relationship of principal and agent, or of partnership or of joint venture between the parties hereto.

J. Time is of the essence of each and every provision, covenant, and condition herein contained and on the part of Tenant or Landlord to be done and performed.

K. For the convenience of the parties, this Agreement may be executed in one or more counterparts, each of which shall be deemed an original, but all of which together shall constitute one and the same document.

L. Tenant will permit no lien, notice of intention to file lien, or other charges (whether arising out of work of Tenant or any contractor, subcontractor, mechanic, laborer or material man of Tenant or any mortgage, conditional sale, security agreement, chattel mortgage or otherwise) which might be or become a lien or encumbrance or charge upon the Leased Premises or any part thereof.
