City Council Agenda Communication

Meeting Dates: September 15, 2025 (First Reading Ordinance)
October 6, 2025 (Second Reading Ordinance)

Prepared By: Jon Oliphant, AICP, Planning & Development Director

Agenda Item: First and Second Reading Ordinances – T-Mobile Water Tower #1 Cell Lease First Amendment Agreement

Explanation: Staff previously received a draft lease extension proposal from Catalyst Network Services (CNS), an authorized vendor on behalf of T-Mobile, on the Water Tower #1 property on 911 Drive. A first amendment to the communications site license agreement and the existing agreement with T-Mobile Central, LLC, are attached.

The original agreement commenced on August 1, 2007. Four of the 5-year terms have been exercised and the final term would become effective on August 1, 2027. If the last term of the original agreement was exercised, it would expire on July 31, 2032. However, T-Mobile has proposed for the first amendment extension to become effective on August 1, 2027, and establish five additional 5-year terms that would potentially extend the agreement until July 31, 2057. T-Mobile currently pays \$3,404.86 per month through July 31, 2026, and that rent escalates 3% on August 1 of each year. T-Mobile proposes that the monthly rent be \$3,500 at the start of the first amendment lease agreement and have a 15% increase at the start of each subsequent 5-year term. That would be a slight reduction from what the rent would be at the start of the last renewal period of the current agreement.

T-Mobile would like to continue its operations on Water Tower #1. According to CNS staff, the current rent for this site is 136% of the Tazewell County average monthly rent for telecommunications facilities. CNS and T-Mobile have proposed no other significant changes to the agreement.

Fiscal Impact: The City will receive \$40,858.33 in annual revenue through the existing 2025-26 term ending on July 31, 2026. That will escalate to \$42,084.08 the following year, which would end the current term. The City would receive **\$1,838,285.07** from August 1, 2027, through the life of the agreement should each of the terms in the first amendment agreement be exercised.

Action Requested: Staff requests approval of the first amendment agreement with T-Mobile. The consensus of the City Council at the August Committee of the Whole meeting was to proceed with the finalization of the drafting of a final agreement. A first reading ordinance is scheduled for the September 15 City Council meeting and a second reading ordinance will be scheduled for the October 6 meeting.

Licensor agrees to cooperate with Licensee, at Licensee's expense, in making application for and obtaining all licenses, permits and any and all other necessary approvals that may be required for Licensee's intended use of the Premises. Licensee acknowledges and understands that Licensee's use of the Property is not exclusive and that Licensor reserves the right to lease or license other portions of the Property (except for the specific Premises licensed to Licensee delineated on the Site Installation Plans, (Exhibit "D"), showing the nine (9) antennae and eighteen (18) coax cables and ancillary facilities to be installed) to other users, subject to Licensee's rights under this Agreement.
3. **Tests and Construction.** Licensee shall have the right at any time following the full execution of this Agreement to enter upon the Property for the purpose of making appropriate engineering and boundary surveys, inspections, soil test borings, other reasonably necessary tests and constructing the Licensee Facilities (as defined in Paragraph 6(a) below). All operations by Licensee shall be in compliance with all Federal Communications Commission ("FCC") requirements.

(b) Subsequent to the installation of the Licensee Facilities, Licensor shall not permit itself, its lessees or licensees to install new equipment on the Property or property contiguous thereto owned or controlled by Licensor, if such equipment is likely to cause radio-frequency interference with Licensee's operations. Licensor agrees to provide to Licensee a copy of any notice, assessment or billing relating to any taxes for which Licensee is responsible under this Agreement within thirty (30) days of receipt of same by Licensor. Licensee shall have no obligation to make payment of any such taxes until Licensee has received notice, assessment or billing relating to such payment in accordance herewith. Licensors may assign this Agreement upon written notice to Licensee, subject to the assignee assuming all of Licensors' obligations herein, including but not limited to, those set forth in Paragraph 9 above and Licensee may sublet or license all or any portion of the Premises to one or more entities for communications uses only, without Licensors' consent. Notwithstanding anything to the contrary contained in this Agreement, Licensee may assign, mortgage, pledge, hypothecate or otherwise transfer without consent its interest in this Agreement to any financing entity, or agent on behalf of any financing entity to whom Licensee (i) has obligations for borrowed money or in respect of guaranties thereof, (ii) has obligations evidenced by bonds, debentures, notes or similar instruments, or (iii) has obligations under or with respect to letters of credit, bankers acceptances and similar facilities or in respect of guaranties thereof.

(j) This Agreement may be executed in duplicate counterparts, each of which shall be deemed an original.

(k) In the event of a breach or any of the covenants or agreements set forth in this Agreement, the parties shall be entitled to any and all remedies available at law or in equity. The parties hereto agree that in the event it becomes necessary for any party to defend or institute legal proceedings as a result of the failure of either party to comply with the terms, covenants, agreements, and/or conditions of this Agreement, it is understood and agreed upon that the prevailing party in such litigation shall be entitled to be reimbursed for all costs incurred or expended in connection therewith, including, but not limited to, reasonable attorney's fees, including appellate fees, and court costs.

20. **Tower Marking and Lighting Requirements.** Licensor acknowledges that it, and not Licensee, shall be responsible for compliance with all Tower marking and lighting requirements of the Federal Aviation Administration ("FAA") and the FCC. Licensor shall indemnify and hold Licensee harmless from any fines or other liabilities caused by Licensor's failure to comply with such requirements. Should Licensee be cited by either the FCC or FAA because the Tower is not in compliance and, should Licensor fail to cure the conditions of noncompliance within the time frame allowed by the citing agency, Licensee may either terminate this Agreement immediately on notice to Licensor or proceed to cure the conditions of noncompliance at Licensor's expense, which amounts may be deducted from the Rent.

IN WITNESS WHEREOF, the parties have executed this Agreement as of the date first above written.
