

Proclamation

Whereas, the City of Washington wishes to recognize individuals and organizations that demonstrate outstanding commitment and service to our community; and

Whereas, RNS Electric has, for many years, generously supported the Washington Fire Department by donating their skills, time, and expertise, providing essential electrical work without seeking reimbursement; and

Whereas, this dedication has been a tremendous benefit to the Fire Department and the citizens of Washington, ensuring that critical facilities and equipment remain safe, reliable, and ready to serve; and

Whereas, in just the past two years, RNS Electric has contributed to numerous important projects, including:

- Providing labor for the installation of the Plymovent exhaust system;
- Providing labor for the installation of power to the equipment shed;
- Converting bunk room can lights to ceiling fans;
- Installing electrical service for additional bunk rooms;
- Relocating and installing power for vending machines;
- Installing and modifying electrical service for the kitchen renovation;
- Donating a lift for the installation of the HVAC system in the new bunk rooms; and
- Installing the shoreline power source for the new Medic 1 Ambulance; and

Whereas, the generosity and dedication of RNS Electric exemplify the true spirit of community partnership and civic pride;

Now, therefore, be it resolved that I, Liliya V. Stevens, Mayor of the City of Washington, on behalf of the City Council, the Washington Fire Department and the citizens we serve, do hereby recognize and commend RNS Electric for their years of outstanding service and invaluable contributions to the Washington Fire Department and to the community of Washington.

Proclaimed this 15th day of September 2025

Liliya V. Stevens, Mayor
