

CITY OF WASHINGTON, ILLINOIS

City Council Agenda Communication

Meeting Date: December 1, 2025

Prepared By: City Clerk Brod on behalf of Mayor Stevens

Agenda Item: Appointment of Jean Montgomery to the Glendale Cemetery Board of Managers

Explanation: The Cemetery Board of Managers is composed of three residents of the City of Washington, appointed by the Mayor with the consent of the City Council. The Board is responsible for establishing and managing the perpetual trust(s) dedicated to the repair, maintenance, upkeep, and ornamentation of Glendale Cemetery.

In October, the City of Washington received verbal notification from one of the current Board members who resigned due to relocation outside the community, resulting in a vacancy. Jean Montgomery has expressed interest in serving in this open position.

After careful review, the Mayor and City staff believe that Jean Montgomery is well-qualified and will serve as a valuable asset to the Board, which meets annually to review and manage the cemetery trusts.

Fiscal Impact: There are no direct financial impacts with this appointment.

Action Requested: Approval of the appointment of Jean Montgomery to the Glendale Cemetery Board of Managers.

The City of Washington wishes to thank Bob Lindsley for his willingness to serve his community and Glendale Cemetery.
