

## **ADVERTISEMENT FOR BID**

The City of Washington Illinois will receive sealed bids for the bored installation of sanitary sewer under Cummings Lane in Washington, IL. Electronic plans can be obtained from the City Engineer.

Bids will be received at the office of the City Engineer, 301 Walnut, Washington IL until 10:00 AM on Friday October 2, 2020 at which time all bids will be opened and read aloud. If bids are mailed via the U.S. Postal Service regular mail, they must be addressed to the City of Washington, Attn: City Engineer, and arrive by the opening of bids as noted above. Late bids will not be accepted and will remain unopened. All bids must be enclosed in a sealed envelope bearing the name and address of the proposer and clearly marked as follows:

**Attn: City Engineer**

**Heilman's Sanitary Sewer Extension**

**Bid Opening Date: Friday October 2, 2020**

**Bidder is advised this work is subject to local prevailing wage requirements.**

The City of Washington reserves the right to reject any and/or all bids.
