Standing Committee: Finance & Personnel Committee
Alderman Daniel Cobb, Finance & Personnel Committee, highlighted two items that appeared on the Consent Agenda; Bills and Payroll and the Revenue Tracking Report. He shared that the City is about \$325,000 YTD over 2019/2020 and about .9% over our total budget. He feels that we are doing well with our current financial status compared to last year.

Alderman Cobb shared the Budget Report with Council which was generated using new software. The Report showed the budget ending 10/16/20, compared items against the budget and showed whether it's favorable or not favorable in each account. City Staff is continuing to implement new reporting options.

Alderman Cobb shared information regarding the COVID Deferral Expense Update which was discussed during the Finance and Personnel Committee meeting and the committee recommendation is to move forward with the expenses.

Alderman Cobb then shared three TIF requests presented to Council and four items regarding elected officials compensation, all of which received Committee support and will be reviewed as second readings during this meeting.

Standing Committee: Public Safety Committee
Alderman Yoder presented the Public Safety Committee report in Alderman Butler's absence. He invited Fire Chief Brown and Deputy Chief Stevens to provide updates. Deputy Chief Stevens shared that there was nothing to report at this time. Fire Chief Brown shared that he sent information to Council during the previous week and that they are analyzing data concerning the number of on calls and double calls. They will continue to compile that information.

Standing Committee: Public Works update
Alderman Mike Brownfield, shared two items. First; the Road Salt Bid Award. City Administrator Ray Foresythe reviewed the project due to audio issues. He shared that this is a Joint Purchasing Program. Bids were received for \$85.76 per ton which shows no increase from last year's bid. The City has committed to 1250 tons with approximately 400 tons currently in storage. The City has budgeted \$130,000 for road salt.

Alderman Cobb moved and Alderman Yoder seconded to approve the bid. There were no questions or comments provided.

On roll call the vote was:

Ayes: 7 Adams, Blundy, Brownfield, Cobb, Dingledine, Stevens, Yoder

Nays: 0

Motion declared carried.

Alderman Mike Brownfield brought forward the Emergency Step Screen Repair Bid. Mr. Foresythe gave project details. He shared that in July, due to excessive rain, a manhole was damaged and washed out, allowing sand and debris into the plant. Staff found damage to the Step Screen due to the debris. The repair is estimated at \$63,178.17. The top of the manhole was knocked off due to large tree falling on it allowing the entire creek to flow into it. It is not a budgeted item but may be an insurance claim. Staff is looking further to see if insurance will cover it.

Alderman Cobb moved and Alderman Dingledine seconded to approve the bid. There were no questions or comments provided.

On roll call the vote was:

Ayes: 7 Adams, Blundy, Brownfield, Cobb, Dingledine, Stevens, Yoder

Nays: 0

Alderman Brownfield introduced City Engineer, Dennis Carr to provide updates remotely. Mr. Carr shared that Lawndale was ready to lay final course on asphalt; the sidewalks on Stratford are being formed on the bridge; the Stratford bridge will be formed next week; Holland is forming up sidewalks then will close the roadway and residents have been notified; North Main has concrete crews working on ramp and driveways to pour and cure with Dennis verifying the amount of IDOT working days left; Freedom and Lakeshore studies were sent to IDOT for review.

Alderman Stevens asked for clarification about the closure of Jefferson Street. Mr. Carr was not aware of the project. Public Works Director Kevin Schone reported remotely that they believe it was a water main break but couldn't find the source of the water. They are still investigating.

Mayor:

Mayor shared that the Chip and Seal Coat Project is still in the works. Crews will now address the loose gravel in cul-de-sacs and most of the manholes are cured and back in and barricades have been removed.

Mayor also share that he is excited to see new business moving to Washington. Tres Rojas Winery is nearing opening, Beck Oil construction has started, and Faire Coffee has started as well.

City Administrator:

Ray Forsythe provided the following updates: COVID-19 Deferred Expense Update was presented to the Finance and Personnel Committee. He noted that staff identified more than \$600,000 of expenses that the City opted to hold back until we could see the effects of COVID. Our revenues from various sales tax entities is above last year and we believe we will be reimbursed for expenses through the Cares Act. After further staff review of remaining items, the city is asking for the release of funds for the items listed in the memo. It was noted that these funds will not be used all at once as some items will seek bids.

Alderman Brownfield moved and Alderman Cobb seconded to approve. There were no questions or comments provided.
