FOR FURNISHING CONCRETE ASSISTANCE

TO THE CITY OF WASHINGTON, ILLINOIS

BID OPENING: Tuesday February 25th, 2025, at 11:00 a.m.

BID DEPOSIT: Not Required

PERFORMANCE BOND: Not Required

**REQUIRED FOR USE BY THE
CITY OF WASHINGTON PUBLIC WORKS DEPARTMENT**

SPECIAL CONDITIONS

1. Term of Contract:

This Contract shall take effect May 1, 2025, and expire on April 30, 2026.

2. Project Size

- a. Multiple locations in close proximity shall be lumped together to determine a quantity delivered.

3. Removal

Existing concrete shall be full depth saw cut prior to removal to establish a clean construction edge. Asphalt shall be sawcut a minimum of 2' from the edge of pavement when curb is to be replaced.

4. Layout

Contractor is responsible for all layout to maintain the existing drainage pattern.

5. Subgrade Preparation

The subgrade shall be leveled, compacted and 2" of compacted aggregate shall be placed to provide a suitable construction base. Subgrade preparation shall be included in the cost of the flatwork and/or curb and shall not be paid for separately.

6. Forms

Forms shall be at least as thick as the concrete to be poured. Unless a radius is needed, rigid forms shall be required. Flexible forms shall be used around a radius. Forms shall be inspected by the City Engineer or his representative prior to the placement of any concrete.

7. Restoration

- Roadway restoration shall include 4" of asphalt surface coarse on a compacted aggregate subbase.
- Landscape restoration shall be provided for the disturbed area and shall include a minimum of 2" of topsoil, seed, and a straw mat.

8. Concrete

All concrete furnished under this contract shall meet the requirements of Class SI concrete, as specified in Section 1020 of the "Standard Specifications for Road and Bridge Construction". The coarse aggregate used in the concrete shall meet the requirements of Article 1004.02 of the Standard Specifications, with particular attention given to meeting the freeze-thaw rating. The batch plant must be an IDOT approved source of Class SI concrete.

9. Trucking

48-hours notice should be given to the Public Works Street Supervisor to set up the City provided removal trucking. If the City is unable to provide trucking, the contractor will be paid for removal trucking at contract unit price per Square Foot of concrete removed.

10. Quantities

The quantities shown herein are estimated for canvassing purposes only, and as such may not represent the actual quantities required during the term of any contract made pursuant to these specifications. Nothing contained herein shall be construed as an obligation of the City of Washington to order or pay for any quantity of material other than that amount determined to meet the actual requirements of the City. The right is reserved to increase or decrease the quantities shown herein at any time during the life of the contract. The City will be obligated to pay for only the actual quantities ordered and received.

11. Basis of Award

Bids will be canvassed on the basis of the unit prices and extended totals as shown on Page P-1 of the Proposal. Unit prices shown on the proposal shall include **all** delivery charges for the quantities shown.

The thickness for the flatwork is assumed to be 4 inches, but an additional fee per cubic yard of additional thickness concrete shall be included for projects requiring a deeper section. Winter and/or calcium charges must also be shown on the Proposal. The City intends to do all removal trucking, but the contractor should show the Removal Trucking charge on the proposal for any instance where the City cannot provide the trucking.

The City reserves the right to waive technicalities or to reject any and all bids when, in the opinion of the City Council, the best interests of the City of Washington will be served by such action.

12. Ordering and Delivery

Orders shall be placed by telephone direct to the Contractor by personnel of the City of Washington, Department of Public Works. A list of authorized personnel will be furnished to the Contractor upon request.

13. Testing

The City reserves the right to require a statement from the manufacturer that the concrete has been inspected and tested and conforms to the Specifications. The manufacturer shall provide copies of compression tests and field data reports upon request by the City for purposes of verifying conformance to the specifications.

14. Billing

All invoices for accepted quantities should be sent daily to the City of Washington, 301 Walnut Street, Washington, Illinois 61571. All invoices must clearly show the description, quantity received, unit price, and the City's Purchase Order number.

15. Price Escalation

The prices quoted herein shall remain firm for the contract period.

16. Certification of Compliance

In accordance with Article 33E of the Criminal Code of 1961, as amended, the bidder is required to fill out and submit with his proposal the Certification of Compliance included with this bid document.

17. Exceptions to Specifications

Any exceptions to these specifications shall be clearly explained on a separate page by the bidder on his firm's letterhead, to be attached to and submitted with these documents prior to or at the time of bid opening. Should a bidder submit a proposal without a separate statement of exception, it shall be assumed the proposal is in full compliance with these specifications.

18. Prevailing Wage

This contract calls for the construction of a "public work," within the meaning of the Illinois Prevailing Wage Act, 820 ILCS 130/.01 et seq. ("the Act"). The Act requires contractors and subcontractors to pay laborers, workers and mechanics performing services on public works projects no less than the current "prevailing rate of wages" (hourly cash wages plus amount for fringe benefits) in the county where the work is performed. The Department publishes the prevailing wage rates on its website at <http://labor.jllinois.gov/>. The Department revises the prevailing wage rates and the contractor/subcontractor has an obligation to check the Department's web site for revisions to prevailing wage rates. For information regarding current prevailing wage rates, please refer to the Illinois Department of Labor's website. All contractors and subcontractors rendering services under this contract must comply with all requirements of the Act, including but not limited to, all wage requirements and notice and record keeping duties.

19. Corrections

All prices and notations must be typed in or written in ink.
