A current license is required for electricians to do work within the City of Washington. In order to obtain a permit, an electrician must submit a current license issued by an of the following Illinois communities: Peoria, Bloomington, Springfield, Decatur, Pekin, Ottawa, Joliet, or any other Illinois testing community (pending verification by the Building & Zoning Coordinator. All electrical work shall comply with the 2023 National Electric Code. It is the responsibility of the permit holder to call the City of Washington and make arrangements for any required inspections. The current electrical permit fee is \$65. Each additional reinspection requires payment of the \$65 fee prior to the completion of the reinspection.
