

# Starting in June, Washington GFL customers can drop-off e-waste during regular business hours at the Morton office at no charge.

Earlier this year, GFL discontinued electronic waste drop-off at the Morton office after their processor withdrew from the United States. GFL has since made an agreement with a different e-waste processor.

Starting in June, Washington GFL customers can drop off e-waste during regular business hours at our Morton office. This service is provided at no additional charge.

GFL Morton: 1090 W. Jefferson St., Morton, IL

Hours Open: Monday-Friday 8am-4:30 and Saturday 8am-Noon (April through October)

Washington contract customers in good standing will need their GFL account number and photo ID to drop off these items banned from Illinois landfills:

- Computers (including tablets)
- Monitors
- Televisions
- Printers
- Fax machines
- Electronic keyboards
- Digital video disc players and recorders
- Cable receivers
- Small-scale servers
- Scanners
- Video game consoles
- Videocassette recorders
- Satellite receivers
- Digital converter boxes
- Portable digital music players
- Electronic mice
