September 10, 2025

Dear North St. Resident,

This letter has been delivered to inform you of a sidewalk project that will begin on Thursday September 11. The funding for this project has been provided by IDOT through the Safe Routes to School grant that the City received. New sidewalk will be installed throughout the right-of-way on the north side of the road where there is currently no sidewalk. The new sidewalk will tie in with the existing sidewalk on N. Main. All driveway approaches on the north side of the road within the project limits will be replaced in order to meet all necessary ADA requirements for the new sidewalk.

On Thursday Stark Excavating will be on-site to begin the grading process that is required for new sidewalk installation. We have requested that the contractor keep the road passable and driveways accessible whenever possible throughout the project. Driveway approaches will stay in place for the time being, until the new sidewalk is poured. Upon completion of the sidewalk installation work on approaches will begin. The contractor or a representative from the City will notify you before tearing out your approach. There will be a period of 5-7 days where driveways will be inaccessible in order for the concrete to properly cure. There will be no disruption in garbage pickup or mail delivery. We apologize for any inconvenience that this project may cause and thank you for your cooperation throughout this beneficial project. Please feel free to reach out to any of the following contracts with questions or concerns.

- Justin Brabant Millennia Professional Services- Resident Engineer jbrabant@millennia.pro
(309) 573-1918
- Dennis Carr City of Washington - Interim City Administrator
City Engineer dcarr@ci.washington.il.us
(309) 271-9635
- Ross Fuller City of Washington- Engineering Technician rfuller@ci.washington.il.us
(309) 417-2351

To ensure the residents in the area are kept well informed of the project's status, we will be providing monthly updates via the City's website and through the scannable story map QR code found below.
