Other business – Chief Volk provided Committee members with STIC/IDOT info on Boyd? Nofsinger intersection data. Brief discussion on possible E-cigarettes ordinance request from WCHS. Will get further info to bring back to Committee. Continued discussion on Jimmy John's parking issue. Jon Oliphant stated that he had a different owners name and contact info. Jon also stated that upon his review of the property, it appears additional parking could be made on Jimmy John's property for some of their employees. Chief offered to e-mail Speed Trailer results to each member, as the printed versions are lengthy. Mayor Manier discussed possible stop lights at Mt.
