

City of Washington, Illinois News Release

Due to inclement weather conditions and for the safety of our staff and residents, we have elected to close City Hall offices on Wednesday, January 30th. We expect to reopen on Thursday, January 31st at our normal time of 8:00 a.m. For residents making water payments due on January 31st there will not be a late penalty assessed until February 5th in order to allow for safer travel conditions. Our Public Works crews will also be off duty but on call for any emergencies that may occur. Our Police Department on W. Jefferson Street will remain open and will be one of three warming centers for anyone in need. The remaining two warming centers will be the Wilmor Road Fire Station and Connect Center located at the corner of Walnut Street and S. Elm Street.
