

Good Afternoon,

As we approach the end of our services to the City and residents of Washington, I want to take this opportunity to detail our cart collection plan.

Beginning Wednesday March 25 and continuing on the 26<sup>th</sup>, 27<sup>th</sup>, 30<sup>th</sup> and the 31<sup>st</sup>, a contractor will be following our collection vehicles. Each cart will be collected after being emptied on those days.

The recycling carts need to be presented on those days, even if they are not scheduled for collection due to the every other week pattern of service.

Please include in your messaging to the residents that ALL Waste Management CARTS should be placed at the curb for collection on the above service dates.

Carts that are not collected on that date will be subject to a \$ 35.00 per cart recovery fee.

Thanks for your attention to this notice, your comments are encouraged.
