

SPECIAL CONDITIONS

1. Term of Contract

This Contract shall take effect when approved by Council, and expire on April 30, 2020.

2. Concrete

All concrete furnished under this contract shall meet the requirements of Class SI concrete, as specified in Section 1020 of the "Standard Specifications for Road and Bridge Construction". The course aggregate used in the concrete shall meet the requirements of Article 1004.02 of the Standard Specifications, with particular attention given to meeting the freeze-thaw rating. The batch plant must be an IDOT approved source of Class SI concrete.

3. Quantities

The quantities shown herein are estimated for canvassing purposes only, and as such may not represent the actual quantities required during the term of any contract made pursuant to these specifications. Nothing contained herein shall be construed as an obligation of the City of Washington to order or pay for any quantity of material other than that amount determined to meet the actual requirements of the City. The right is reserved to increase or decrease the quantities shown herein at any time during the life of the contract. The City will be obligated to pay for only the actual quantities ordered and received.

4. Basis of Award

Bids will be canvassed on the basis of the unit prices and extended totals as shown on Page P-1 of the Proposal. Unit prices shown on the proposal shall include all delivery charges for the quantities shown. Winter and/or calcium charges must also be shown on the Proposal. The City reserves the right to waive technicalities or to reject any and all bids when, in the opinion of the City Council, the best interests of the City of Washington will be served by such action.

5. Ordering and Delivery

Orders shall be placed by telephone direct to the Contractor by personnel of the City of Washington, Department of Public Works. A list of authorized personnel will be furnished to the Contractor upon request.

6. Testing

The City reserves the right to require a statement from the manufacturer that the concrete has been inspected and tested and conforms to the Specifications. The manufacturer shall provide copies of compression tests and field data reports upon request by the City for purposes of verifying conformance to the specifications.

7. Billing

All invoices for accepted quantities should be sent daily to the City of Washington, 301 Walnut Street, Washington, Illinois 61571. All invoices must clearly show the description, quantity received, unit price, and the City's Purchase Order number.

8. Price Escalation

The prices quoted herein shall remain firm for the contract period.

9. Certification of Compliance

In accordance with Article 33E of the Criminal Code of 1961, as amended, the bidder is required to fill out and submit with his proposal the Certification of Compliance included with this bid document.

10. Exceptions to Specifications

Any exceptions to these specifications shall be clearly explained on a separate page by the bidder on his firm's letterhead, to be attached to and submitted with these documents prior to or at the time of bid opening. Should a bidder submit a proposal without a separate statement of exception, it shall be assumed the proposal is in full compliance with these specifications.

11. Prevailing Wage

This contract calls for the construction of a "public work," within the meaning of the Illinois Prevailing Wage Act, 820 ILCS 130/.01 et seq. ("the Act"). The Act requires contractors and subcontractors to pay laborers, workers and mechanics performing services on public works projects no less than the current "prevailing rate of wages" (hourly cash wages plus amount for fringe benefits) in the county where the work is performed. The Department publishes the prevailing wage rates on its website at <http://labor.jllinois.gov/>. The Department revises the prevailing wage rates and the contractor/subcontractor has an obligation to check the Department's web site for revisions to prevailing wage rates. For information regarding current prevailing wage rates, please refer to the Illinois Department of Labor's website. All contractors and subcontractors rendering services under this contract must comply with all requirements of the Act, including but not limited to, all wage requirements and notice and record keeping duties.

12. Corrections- All prices and notations must be typed in or written in ink.
