It looks like we are going to see a significant increase in the number of the COVID-19 cases within the next couple of weeks. Please remain diligent and reinforce the need for everyone to shelter in place. Areas that are following the guidelines are seeing positive impact.

Please don't forget our small businesses during these difficult times. Please continue to order take-out meals from our local restaurants. Many of them are providing online ordering, curbside pickup and daily specials. Be sure to check out Facebook, Instagram and websites to explore the various options.

Thank you to all medical personal, EMT's, Fire fighters, police officers, truck drivers, grocery store employees, postal workers, restaurants, garbage haulers, teachers and anyone that is providing an essential service.

Monday, we experienced our first virtual City Council meeting and I feel it worked out well. Thanks to City Administrator Ray Forsythe and City Clerk Pat Brown for working to make this happen.

Stay Safe!

Together we can.
