April 09, 2020

Attention Washington Business Owners:

On April 7, 2020, the Illinois Department of Commerce & Economic Opportunity released an update to Executive Order 20-10.

The document “Essential Businesses & Operations Frequently Asked Questions” states:

Executive Order 20-10 requires all non-essential businesses and operations to cease all activities except for minimum basic operations. Non-essential businesses may also continue operations consisting exclusively of employees or contractors working from home.

If you are a business owner in Washington, please review the document and take the appropriate actions to ensure that you are meeting the obligations in the Executive Order.

Additional information is available at the DCEO website:
