CITY OF WASHINGTON, ILLINOIS - BIDDING GENERAL CONDITIONS

- Pricing.** The bidder shall insert price for all bid items and all other information requested in these specifications. The price shall be the full, delivered cost to the City of Washington with no additions.

Total versus "Per Item" awards. The City generally awards contracts based on a lump sum basis to the lowest responsible and responsive bidder. However, the City may choose to award on a per item basis. Therefore, each bidder must submit pricing for each item indicated on the bid forms. Bidders must clearly indicate which items are bid and which are not.
- Workmanship.** The CONTRACTOR shall comply with all applicable codes and standards. All work shall be performed in a manner consistent with manufacturer's warranty requirements.
- Permitting.** The CONTRACTOR shall provide all construction documents, drawings, and specifications necessary to secure building permits.
- Insurance.** The CONTRACTOR and its SUB-CONTRACTORS shall furnish Certificates of Insurance for Workmen's Compensation and Comprehensive General Liability Insurance in the amount of \$1,000,000 of coverage before commencing any work.
- Temporary Utilities.** The CONTRACTOR shall be responsible for temporary utilities and job site facilities during construction, including dumpsters for removal of debris on a regular basis and shall be responsible for all general cleanup of site.
- Contract Changes.** The CONTRACTOR and owner agree that all changes to the contract must be approved in writing prior to commencing with any change in the work.
- Delivery of Services and Merchandise.** The City of Washington accepts no responsibility for the condition or cost of any service or merchandise purchased or provided prior to acceptance by appropriate City Personnel. Failure to comply with this requirement may constitute rejection of the bid.
- Acceptance of Services and Merchandise.** The City of Washington reserves the right to refuse acceptance of delivered services or merchandise that differs substantially from the specifications in this invitation to bid or as otherwise permitted by Illinois law.
- W-9 Request for Taxpayer Identification Number.** Prior to issuance of a purchase order, the successful bidder will be required to supply the City of Washington with a federal W-9 Request for Taxpayer Identification Number and Certification. Failure to comply with this requirement will be considered a violation of contract terms.
- Legal Compliance.** The contractor awarded this contract will comply with all Federal, State, County, and City laws, ordinances, rules and regulations, which in any manner affect the product or service placed for bid herein. Lack of knowledge on the part of the awarded contractor of

applicable law will in no way be cause for release of this obligation. If the City becomes aware of violation of any laws, ordinances, rules and regulations on the part of the awarded contractor, it reserves the right to reject any bid, cancel any contract, and pursue any other legal remedies deemed necessary.

11. **Legal Requirements.** This contract sets forth the entire final agreement between the City of Washington and the bidder and shall govern the respective duties and obligations of the parties. The validity of this contract, and any disputes arising from the contract, shall be governed by the laws of the State of Illinois. Any litigation under this agreement shall be resolved in the trial courts of Tazewell County, State of Illinois. Should a provision of this contract be declared invalid by a court of competent jurisdiction, it shall not affect the validity of the remaining provisions of the contract.
12. **Safety.** Prevention of accidents at any project site is the sole responsibility of the awarded contractor and its subcontractors, agents, and employees. The awarded contractor, its subcontractors, agents and employees shall be fully and solely responsible for the safety of this project. The awarded contractor shall retain exclusive and direct control over the acts or omissions of its subcontractors, agents and employees, and any other persons performing portions of the work and not directly employed by the awarded contractor.
13. **Criminal Background Check.** When necessary, for the protection of citizens and/or City staff, the City may require an awarded contractor to conduct a criminal background check on all of its personnel who will have direct contact with City facilities or residents/businesses served under this contract. Personnel are defined as representatives, agents, employees, subcontractors, or anyone else who will be utilized to fulfill obligations under this contract. Criminal background checks, at a minimum, shall consist of a county level felony and misdemeanor check for each county in which the personnel resided in the last 10 years. The awarded contractor shall notify the City of any of its personnel who have been convicted of a felony or misdemeanor prior to commencing any work under this contract. At the City's discretion, personnel with any felony or misdemeanor convictions which raise a concern about the safety of building, property, or City staff/resident's personal security, or is otherwise job related (as determined by the City) shall not perform work under this contract. Once given notice that a background check(s) will be required, it must be completed within 14 calendar days so as to not delay work to be completed.
14. **Control of the Work.** With respect to the awarded contractor's own work, the City shall not have contractual, operational, and/or supervisory control over and/or charge of the work and shall not be responsible for construction means, methods, techniques, sequences, procedures, and programs in connection with the awarded contractor's work, since these are solely the contractor's responsibility under the agreement. The City shall not be responsible for the awarded contractor's failure to carry out the work in accordance with the agreement's terms and conditions. The City shall not have control over and/or charge of acts or omissions of the awarded contractor, its subcontractors, and/or their agents or employees, or any other person performing portions of the work not directly employed by the awarded contractor. The awarded contractor shall be considered to be an "independent contractor" pursuant to Illinois law.
15. **Bid Bond.** When *required* on the cover sheet, a bid bond for not less than 5 percent of the bid

Request for Bids

amount must accompany all bids as a guarantee that if the bid is accepted, the bidder will execute and file the proper contract. A bank cashier's check, bank draft, or certified check equal to the amount specified is acceptable in lieu of a bid bond. Bid bonds of the two lowest firms will be retained until the contract is awarded.

16. **Performance Bond.** When *required* by the specifications herein, the awarded contractor shall furnish a performance bond equal to the amount of the contract, acceptable to the City, within 14 calendar days after notification of contract award. Failure to furnish the required bond within the time specified may be cause for rejection of the bid and any bid deposit may be retained by the City as liquidated damages and not as a penalty.
17. **Taxes.** No charge will be allowed for taxes from which the City of Washington, Illinois is exempt. The City of Washington, Illinois is not liable for the Illinois Retailers' Occupation Tax, the Service Occupation Tax or the Service Use Tax. The City is also exempt from the Federal Excise and Transportation Tax.
18. **Withdrawal of Bids.** Firms may withdraw or cancel their bids at any time prior to the advertised invitation to bid opening. After the opening time, no bid shall be withdrawn or cancelled. All bids shall be firm and valid for a period of one hundred eighty (180) calendar days. If a bidder to whom a contract is awarded refuses to accept the award, the bid bond will be retained by the city as liquidated damages.
19. **Subcontracting.** The bidder shall provide information for all subcontractors, leased operators/equipment, and suppliers and all other information requested in the Subcontractor and Supplier Detail Forms attached. Requests for deviations from the completed detail forms submitted must be made in writing, and reviewed and approved by the City's Diversity Procurement Officer and the Public Works Director or City Engineer or designee. The awarded contractor may not subcontract any portion of the Contract after award without written consent of the City of Washington.
20. **Termination of Contract.** The City of Washington reserves the right to terminate the contract in its entirety or in portions, upon written notice to the awarded contractor, if the Washington City Council does not appropriate sufficient funds to complete the contract or in the event of default by the awarded contractor. Default is defined as failure of the awarded contractor to perform any of the provisions of this contract or failure to make sufficient progress so as to endanger performance of this contract in accordance with its terms. In the event of default, the City may purchase the product(s) and/or service(s) from other sources and hold the defaulting company responsible for any excess costs occasioned thereby. The City may require payment of liquidated damages for non-performance. Should default be due to failure to perform or because of a request for a price increase, the City reserves the right to retain the bid bond.
21. **Late Bids and Proposals.** Regardless of cause, late bids and proposals will not be accepted and will automatically be disqualified from further consideration. It shall be solely the contractor's risk to ensure delivery at the designated office by the designated time. Late bids and proposals will not be opened and may be returned to the awarded contractor at their request and expense.

22. **Addendums.** All correspondence regarding the RFQ process must be addressed to the contact person located on the cover sheet of this document. Return correspondence, if any, from the Owner shall be in the form of addenda which will be posted on the City's website for viewing by all interested parties. No responses shall be given within five (5) days prior to the qualification deadline.
23. **EEO Forms.** Each firm shall be required to submit with its bid information all EEO forms included in the invitation to bid package. Any bid which fails to include the properly completed compliance items will not be considered. All subcontractors shall also be required to comply with the same EEO forms as the firm.
24. **Restrictive or Ambiguous Specifications.** It is the responsibility of the bidding firm to review the invitation to bid specifications and to notify the Public Works Director or City Engineer if the specifications are formulated in a manner that would unnecessarily restrict competition. Any such protest or question regarding the specifications or invitation to bid procedures must be received by the Public Works Director or City Engineer not less than seventy-two hours prior to the time set for the opening. In the event a contract term is not defined within the contract document, the term will be given its ordinary dictionary definition.
25. **Bid Protest.** Firms wishing to protest bids or awards shall notify the Public Works Director or City Engineer in writing within seven (7) calendar days after the invitation to bid opening. The notification should include the bid name, the name of the firm protesting, and the reason why the firm is protesting the bid. The Public Works Director or City Engineer will respond to the protest within seven (7) calendar days. A successful protest may result in the reversal of a previously awarded Contract.
26. **Disputes.** In cases of disputes as to whether or not an item or service quoted or delivered meets specifications, the decision of the City Council of the City of Washington, or authorized representative shall be final and binding to all parties. The City Council has the right to waive technicalities as they see fit. The Public Works Director or City Engineer may request a written recommendation from the head of the department using the equipment or service being procured.
27. **Exceptions.** Any deviations from these specifications shall be noted and submitted with the bid. Failure to address deviations from specifications may result in bid rejection.
28. **Acceptance/Rejection of Bids.** The City of Washington reserves the right to accept or reject any or all bids or proposals at any time, for any reason, including but not limited to the Washington City Council or the funding grantor not appropriating sufficient funds to complete the project. The City may make awards in any manner deemed in the best interest of the City.
29. **Prevailing Wage.** When indicated on the cover page of this document, this contract calls for the construction of a "public work," within the meaning of the Illinois Prevailing Wage Act, 820 ILCS 130/01 et seq. ("the Act"). The Act requires a warded contractors and subcontractors to pay laborers, workers, and mechanics performing services on public works projects no less than the "prevailing rate of wages" (hourly cash wages plus fringe benefits) in the county where the work is performed. When required, awarded contractors are responsible for paying current prevailing wage

rates, as posted on the Illinois Department of Labor's website at: <http://www.state.il.us/agency/idol/rates/rates.HTM> . It is the awarded contractor's responsibility to verify current wage rates, as they are updated monthly. All awarded contractors and subcontractors rendering services under this contract must comply with all requirements of the Act, including but not limited to, all wage, notice, and record keeping duties.

30. **Certified Payroll.** All Certified Payroll reports **required** to be submitted under the Prevailing Wage Act, 820 ILCS 130, must be submitted to the Public Works Director, 301 Walnut St., Washington, Illinois and be submitted via email, in Excel or some format compatible with Excel, to kschone@ci.washington.il.us
31. **Substance Abuse Prevention.** When **required** by Illinois State Statutes, awarded contractors must have in place and file with the City a written program for prevention of substance abuse among its employees. This program must include pre-hire, random, reasonable suspicion, and post-accident drug and alcohol testing, as required by the Substance Abuse Prevention on Public Works Projects Act.
32. **Indemnification.** To the fullest extent permitted by law, the awarded contractor shall indemnify and hold harmless the City, its officers, representatives, elected and appointed officials, agents, and employees from and against all claims, damages, losses and expenses, including but not limited to attorney's fees, arising out of or resulting from the awarded contractor's performance of work under this agreement, and indemnifies and agrees to defend and hold harmless the City against any and all losses, claims, damages, and expenses arising from the work performed hereunder of the erection, construction, placement, or operation of any scaffold, hoist, crane, stay, ladder, support, or other mechanical contrivance in connection with such work including but not limited to losses, claims, damages, and expenses arising pursuant to claims asserted against the City pursuant to theories premised upon section 414 of the Restatement (Second) of Torts and section 343 of the Restatement (Second) of Torts.

This indemnification agreement shall not be limited in any way by any limitations on the amount or type of damages, compensation, or benefits payable by or for the awarded contractor under Worker's Compensation Acts, disability benefit acts, or other employee benefit acts, and serves as an express agreement to waive the protection of *Kotecki v. Cyclops Welding Corp.*, 146 Ill.2d 111, 585 N.E.2d 1023 (1991) in Illinois.

Further, the awarded contractor agrees that it is solely responsible for compliance with all safety laws applicable to the work performed hereunder, including but not limited to the Occupational Safety and Health Act of 1970 and the Construction Safety Act of 1960 and all standards and regulations which have been or shall be promulgated by the agencies which administer the Acts.

Under no circumstances shall the awarded contractor, its subcontractors, agents, and employees be required to indemnify the City for its own negligence.

33. **Officers.** Each bidder affirms, by submission of a response to this bid or request for proposals, that no officer of the City of Washington, Illinois, is directly or indirectly interested in the proposal for any reason of personal gain.

34. **Non-Waiver.** The failure by the City to require performance of any provision shall not affect the City's right to require performance at any time thereafter, nor shall a waiver of any breach or default of this contract constitute a waiver of any subsequent breach or default or a waiver of the provision itself.
35. **Equal Employment Opportunity Act.** In the event of the contractor's non-compliance with the provisions of this Equal Employment Opportunity Clause or the Act, the contractor may be declared ineligible for future contracts or subcontracts with the State of Illinois or any of its political subdivisions or municipal corporations, and the contract may be cancelled or voided in whole or in part, and other sanctions or penalties may be imposed or remedies invoked as provided by statute or regulation. During the performance of this contract, the contractor agrees as follows:
- 1) That he or she will not discriminate against any employee or applicant for employment because of race, color, religion, sex, sexual orientation, marital status, order of protection status, national origin or ancestry, citizenship status, age, physical or mental disability unrelated to ability, military status or an unfavorable discharge from military service; and, further, that he or she will examine all job classifications to determine if minority persons or women are underutilized and will take appropriate affirmative action to rectify any underutilization.
 - 2) That, if he or she hires additional employees in order to perform this contract or any portion of this contract, he or she will determine the availability (in accordance with this Part) of minorities and women in the areas from which he or she may reasonably recruit and he or she will hire for each job classification for which employees are hired in a way that minorities and women are not underutilized.
 - 3) That, in all solicitations or advertisements for employees placed by him or her or on his or her behalf, he or she will state that all applicants will be afforded equal opportunity without discrimination because of race, color, religion, sex, sexual orientation, marital status, order of protection status, national origin or ancestry, citizenship status, age, physical or mental disability unrelated to ability, military status or an unfavorable discharge from military service.
 - 4) That he or she will send to each labor organization or representative of workers with which he or she has or is bound by a collective bargaining or other agreement or understanding, a notice advising the labor organization or representative of the contractor's obligations under the Act and this Part. If any labor organization or representative fails or refuses to cooperate with the contractor in his or her efforts to comply with the Act and this Part, the contractor will promptly notify the Department and the contracting agency and will recruit employees from other sources when necessary to fulfill its obligations under the contract.
 - 5) That he or she will submit reports as required by this Part, furnish all relevant information as may from time to time be requested by the Department or the contracting agency, and in all respects comply with the Act and this Part.

- 6) That he or she will permit access to all relevant books, records, accounts and work sites by personnel of the contracting agency and the Department for purposes of investigation to ascertain compliance with the Act and the Department's Rules and Regulations.

- 7) That he or she will include verbatim or by reference the provisions of this clause in every subcontract awarded under which any portion of the contract obligations are undertaken or assumed, so that the provisions will be binding upon the subcontractor. In the same manner as with other provisions of this contract, the contractor will be liable for compliance with applicable provisions of this clause by subcontractors; and further it will promptly notify the contracting agency and the Department in the event any subcontractor fails or refuses to comply with the provisions. In addition, the contractor will not utilize any subcontractor declared by the Illinois Human Rights Commission to be ineligible for contracts or subcontracts with the State of Illinois or any of its political subdivisions or municipal corporations.

CITY OF WASHINGTON, ILLINOIS – CONTRACT SPECIFICATIONS

PROJECT DESCRIPTION

The City of Washington's is looking to replace the HVAC Unit at the Water Treatment Plant #2.

The City of Washington requests bids from qualified contractors to provide all labor, materials, equipment, and supplies necessary for the Demolition of the structures specified.

PROJECT LOCATION

The City of Washington's Water Treatment Plant #2 is located at 1760 Constitution Street Washington, IL.

SITE EXAMINATION

A MANDATORY pre-bid meeting shall be held for all bidders on Tuesday July 20th, 2021 at 10:00 AM at the project site. All interested bidders shall carefully examine the project site to eliminate misconceptions, verify dimensions, elevation, working conditions, transportation, utility clearances and other potential hazards or conflicts. Bidders shall give due consideration to same in preparing their proposals as no exceptions will be considered after awarding the contract; nor will the contractor be entitled to any extra compensation for his/her failure to verify conditions at the site.

The City assumes no responsibility for the condition of the existing building structure, or the continuance in the condition at the time of issuance of the contract price or allowance for any change in conditions which may occur after issuance of the Invitation for Bids or Contract Award.

GENERAL REQUIREMENTS

Bids will be accepted at the time and date located on the cover sheet of this bid packet. The City Council will award the bid for the HVAC Unit Replacement on August 2nd, 2021. Upon award, the Contract shall have until April 30th, 2021 to complete the project as outlined in these Specifications.

Contractor Qualifications. All bidders on this project must be licensed as a General Contractor in the City of Washington within 15 calendar days of award. All bidders must have all other appropriate licenses prior to bidding.

- a. The successful contractor shall work cooperatively with the City of Washington to determine an appropriate start date. Failure to comply with any of these specifications may result in the cancellation of the City's contract.
- b. All work shall be done in a workmanlike manner, in compliance with all local, state and federal codes applicable thereto, and said work shall be performed by workmen trained and skilled in the craft involved.

Basis of Award. The contract will be awarded to the lowest responsible and responsive bidder. The City reserves the right to request any information necessary to determine a contractor's ability to complete the work desired. This may include standard specification information and references from other clients. If these information requests are denied, the City reserves the right to reject the bid.

Insurance Requirements. Upon execution of the contract, and prior to the contractor commencing any work or services with regard to the project, the contractor shall carry commercial general liability insurance and automobile liability insurance and the contractor shall provide the City with a Certificate of Insurance and Additional Insured Endorsement on the proper Insurance Accord Form naming the City as Additional Insured thereunder. Additional insured coverage shall apply as primary insurance and be noncontributory with respect to any other insurance afforded to the City. All coverage shall be placed with an insurance company duly admitted in the State of Illinois and shall be reasonably acceptable to the City. Coverage shall be afforded to the additional insured whether or not a claim is in litigation.

Coverage. The insurance coverage required above shall be of sufficient type, scope and duration to ensure coverage for the City for liability related to any manifestation date within the applicable statutes of limitation and/or repose which pertain to any work performed by or on behalf of the City in relation to the contract. The following insurance requirements shall apply to the successful bidder for the duration of the contract unless explicitly waived by the Public Works Director:

- i. **Commercial General Liability.** The coverage available to the City, as Additional Insured, shall not be less than \$1 million each occurrence for bodily injury and property damage. Such insurance shall also cover liability arising from premises, operations, independent contractors, products-completed operations, personal and advertising injury, and liability assumed under an insured contract (including the tort liability of another assumed in a business contract).
- ii. **Workers Compensation.** Contractor shall maintain during the life of this contract statutory workmen's compensation and employer's liability insurance for all his employees engaged in work on the job site. Any exemption from workman's compensation shall be recorded and on file with the City of Washington.
- iii. **Insurance Certificates.** Each Certificate of insurance shall provide that the insurer must give the City at least 30 days' prior written notice of cancellation and termination of the City's coverage thereunder. Not less than two weeks prior to the expiration, cancellation or termination of any such policy, the contractor shall supply the City with a new and replacement Certificate of Insurance and Additional Insured endorsement as proof of renewal of said original policy. Said new and replacement endorsements shall be similarly endorsed in *favor* of the City as set forth above.

Permits and Notices. Contractors will comply with all laws and regulations of any public authority having jurisdiction over the work. The Contractor will also, at his own expense, and in his own name, obtain all permits, certificates, and licenses required by the City; shall carry on all work under this contract in strict conformity therewith, and shall save and keep harmless the City of Washington from any expense incurred.

Protection of Persons and Property. The Contractor shall assume and bear all risk of damage to the work, and all risk of any accident, or accidents, from whatsoever cause arising, until the work herein provided for shall be fully completed and accepted by the City.

Temporary Structures. The Contractor shall furnish and erect all temporary sidewalks, barricade covers and other temporary structures necessary for the proper and safe conduct of the work and shall remove all such temporary structures upon the completion of the work under contract, all without additional compensation therefor. The Contractor shall have a competent superintendent on the site at all times that work is in progress with full authority to act for him.

Liquidated Damages. If the Contractor fails to perform the services within the time specified in the contract, the Contractor shall pay to the City liquidated damages for each calendar day delay in the amount of \$200 per day. The City may terminate this contract in whole or part as provided in the default provisions. In that event, the Contractor will be liable for such liquidated damages accruing until such time as the City may reasonably obtain performance of similar services.
