Freedom Pkwy Extension Update

Paving work has been completed for the Freedom Pkwy Extension. **The road will remain closed to thru traffic until the road striping is completed.** It is anticipated that the road will be open by the end of September.

On Monday, September 9, the contractor will begin work on Core and Main's approach on Cummings. In order for Core and Main to maintain their day-to-day operations, employees and trucks will be allowed to use a portion of Freedom Pkwy for business access. We ask that you please continue to avoid the new road until it is officially open.
