**Main Street Corridor Project Update**

Thursday, October 8, 2026

Survey work has begun along the Main Street corridor in preparation for a future mill and overlay project on North and South Main Street, as well as the reconstruction of the two Main Street bridges.

This work is part of the early planning and design process. We'll continue to share updates as these projects progress.

Questions? Please contact City Hall at (309) 444-3196.
